FOREWORD

THE thanks and appreciation of the Borough are due Miss Marion Louise Tenney, the editor and compiler of this interesting and detailed account of the war activities of the Borough. To secure and co-ordinate the many forms of those activities has not been an easy task, and the wealth of material shown in this volume has been the result of patient research, much correspondence, and no little tact. The events recorded were so recent in the lives of many participants as to seem commonplace and not worth mention. This will account for the possible omission of some facts or names, several persons failing or declining to answer the letters and questionnaires addressed to them.

Time, with its true perspective of values, will fitly appraise the work of the Borough in the period of its country's need. To the generations succeeding ours, we may hope that this volume will prove an inspiration, as well as a record, showing, as it does, how their fathers and mothers sought to uphold their country's cause on battlefield, in hospital, by welfare work, through self-denial, thrift, and the many agencies, governmental and private, involved in the complex activities of modern war.

CHARLES W. MACQUOID,
Mayor Borough of Roselle.

WAR ACTIVITIES
OF THE
BOROUGH OF ROSELLE
UNION COUNTY, NEW JERSEY

1915-1919

WHEN the ominous war cloud reached its threatening arms across the Atlantic Ocean, in the year nineteen hundred and seventeen, and enveloped the United States in its somber mantle, it found a people ready and willing to lay their all upon the altar of sacrifice, for a great principle.

North, South, East, West, joined hands in a close tie of brotherhood, for the just cause of righteousness.

As the deeds of a people during a crisis help to mould the character of its future generations, so, with this lofty ambition in mind, the war activities of the Borough of Roselle, Union County, New Jersey, are placed upon the pages of its borough records.

In November of 1915 the Roselle Branch of the Needlework Guild of America, Miss Margaretta P. Stevenson, President, received instructions to commence war work in the form of hospital supplies for European relief.

The meetings in connection with this work were held in the First Presbyterian Chapel until all war activities were taken over by the Red Cross, when they were removed to the Borough Hall. Here more commodious accommodations, with a more central situation, awaited them.

FIRST AID CLASSES

One of the preparatory war agencies of this organization, supervised by Miss Stevenson, assisted by Miss Hume, was the forming of First Aid Classes in 1917.

Three classes completed courses, under the direction of Doctors Henry C. Pierson, H. Morton Pierson, and W. R. Strickland, respectively.

About seventy-five women availed themselves of this opportunity for service.

During the course, all First Aid Classes were transferred to government control, under the National Red Cross. Hence it was from this source that examinations were conducted and diplomas awarded.

In the following year, 1918, a fourth First Aid Class was formed by the colored women of the Borough, under the leadership of Dr. L. Greeley Brown, of Elizabeth, New Jersey.

As a practical outcome of these classes, it is interesting to note that during the influenza epidemic in 1918 thirty-seven volunteer aids were supplied to the Elizabeth General Hospital, and ten to the Rahway Hospital, while much emergency nursing was done in the homes.

Many of these assistants had been members of the First Aid Classes.

RED CROSS

On the 10th of May, 1917, an organization to be known as the Roselle Branch of the Elizabethtown Chapter of the American Red Cross was formed, at a mass meeting of the citizens held in the auditorium of St. Joseph's Parochial School, corner of Third Avenue and Walnut Street. This meeting was attended by over three hundred persons. Two hundred and forty-four applications for membership were at once received.

The resolution for the forming of this organization, with its officers, was made by Mr. W. C. Hope. The officers elected were: *Chairman*, Mr. C. P. Higgins; *Vice-Chairman*, Miss M. P. Stevenson; *Second Vice-Chairman*, Mrs. C. S. Wood; *Secretary*, Miss Florence Howes; *Treasurer*, Mr. J. A. Brown; *Executive Board*, Mrs. W. R. Hill, Baroness Van Oldenueil, Miss Hume and Mrs. George Vaughan. These officers immediately assumed their respective duties.

A month after organization a money campaign was launched at which over a thousand dollars was contributed. Early in the Fall a membership drive was conducted, resulting in an addition of 270 members to the enrollment.

The work of the local Red Cross was advanced through various committees, namely

Through the efforts of *Headquarters Committee*, the workroom was equipped with tables, machines, and electric motors.

The workroom was conducted on plans given and approved by the Central Committee of the American Red Cross.

The *Supply Committee*, in conjunction with the Wool Committee, delivered to the Elizabethtown Chapter Headquarters, between June, 1917, and March, 1919, the following articles:

Knitted articles.....	2764	Handkerchiefs.....	60
Trench candles.....	1440	Housewives.....	29
Hospital garments.....	677	Kit bags.....	25
Hospital sheets.....	67	Rest pillows and cases.	1482
Hospital bags.....	111	Fracture pillows.....	74
Napkins.....	467	Refugee garments.....	221

These listed articles amounted to 7417 pieces.

The *Wool Committee* also equipped many of the service boys with knitted garments and "Comfort Kits."

A novel, but very useful, addition to the Red Cross work was the making of trench candles. This project was started by Mrs. R. H. Howes and Mrs. F. A. Read. Later, the work was continued by the "Juniors" at Headquarters, under the direction of Miss Clara Howes. Fourteen hundred and forty candles were shipped abroad.

The *Surgical Dressings Committee* delivered to Headquarters, ready for shipment abroad, over 50,000 pieces of gauze dressings. They also measured, drew, cut and folded ready for use, 8,000 pads, drains and compresses (2 sizes). All workers wore white uniforms, comprising a long-sleeved apron and head dress.

This Committee worked all day once a week, for about nine months, then half a day, until headquarters were closed. As no cutting machine was available, all gauze was prepared by hand, thus necessitating many extra days' work at home, besides many more in the workroom, preparing special orders.

The Chairman of the Surgical Dressings Committee, Mrs. E. L. Lillibridge, completed two courses, one in Elizabeth and the other in New York. She passed a hundred per cent in each, thus placing her on the list of experts.

THE CIVILIAN RELIEF COMMITTEE

The work of this committee extended from America to Russia and Siberia in one instance, to Canada in another, to the Government war offices in Washington, besides many training camps in

this country, with this objective, "information and assistance to the home folks." Hundreds of letters were written by the chairman, embracing various phases of the work. These included information regarding the whereabouts of service men, assistance in facilitating the discharge of men, many in the interest of allotment and casualty insurance, not a few letters of condolence, and several in the desire to locate the resting place of those who had fallen in battle, and to secure their personal effects. In addition to this tremendous task, the committee followed out a campaign of investigation and financial relief for the comfort of many needy families. Before the government was able to settle claims, this committee met the emergency and tided over many sad and difficult cases. Their work still continues.

On June 6, 1918, the *Canteen Committee* served a dinner to members of the 4th Regiment of New Jersey, who were guarding the plant of the Marconi Company, at Aldene.

This Committee also gave several card parties and teas, in private homes, for the benefit of the local Red Cross.

When the Morgan explosion occurred, October 4, 1918, they worked in conjunction with the Mercy Committee, rendering valuable assistance to the refugees, by serving food and hot drinks.

On February 11, 1919, at the request of Mayor C. W. MacQuoid, a Service Club was opened in Borough Hall on Tuesday evenings, under the auspices of the Canteen Committee of the Military Relief Committee. Men in all branches of the service were invited to enjoy an evening of entertainment and amusement.

Convalescent men from Base Hospital No. 3, Colonia, were often guests of the club.

An orchestra composed of service men added greatly to the pleasure of the soldiers. These included William Mahnken, Frank Apgar, Elwood Renton and Walter Dunbaden. After six weeks of weekly entertainments, the Service Club brought its season to a close on June 25, 1919. Twenty-four weekly entertainments had been given, so Mayor MacQuoid stated in a closing address. He further mentioned that the initial plan had been to hold a welcome for the service boys, but since this had not been found practicable, owing to their arrival at various times, a service club with weekly entertainments had been substituted.

Through the patriotic generosity of the people of the community, and the chairman's energetic zeal, the entertainments had been without cost to the Red Cross treasury. Prizes and refreshments were all donated.

It was thought probable that the Club would be resumed in the autumn.

The report of the *Membership Committee* is as follows:

On roll October 31, 1917	672
On roll November 12, 1918	933
Membership for year 1919	872

This last low figure is accounted for by the signing of the Armistice, November 11, 1918, when the need for additional members seemed less insistent.

The *Publicity Committee* attended to all poster advertising and press notices. Bulletin boards were erected by them in conspicuous places, throughout the Borough, where notices of all Red Cross activities were posted.

They were greatly assisted in their work by the Boy Scouts, to whom they expressed grateful thanks for their "splendid efficiency."

The report of the *Finance Committee* is as follows:

Receipts for dues, donations, etc., in 1917	\$ 1,617.22
Collected for \$100,000,000 drive in 1917	4,127.59
Receipts for dues, donations, etc., in 1918	4,764.64
Collected for \$100,000,000 drive in 1918	5,807.27
Christmas Membership Drive in 1918	941.00
Receipts for dues, donations, etc., in 1919	695.91
<hr/>	
Total	\$17,953.63

The *Treasure and Trinket Committee*, through contributions of silverware, jewelry and tinfoil, presented to the local Red Cross the sum of \$174.50.

The *Educational Committee* was ready for service had the need for such work been apparent. It seemed, however, to have been submerged into other committees.

The *Motor Committee* attended to all Red Cross transportation. Their work varied from conveying articles to Chapter Headquarters, to transporting a group of children to Base Hospital No. 3 at Colonia, that they might present a gift of their work to the soldiers. They were of great assistance also to the Canteen Committee.

OFFICERS OF RED CROSS

At the annual business meeting of the Red Cross, held on November 8, 1917, the following officers were elected for the coming year:

Chairman: Mrs. W. R. Hill

Vice-Chairman: Mrs. S. C. Greves

Second Vice-Chairman: Mrs. C. S. Wood

Secretary: Miss Florence Howes

Treasurer: Mr. J. A. Brown

Executive Committee: Miss Stevenson

 Mrs. George Vaughan

 Miss Agnes Hume

 Mrs. James Gaffney

The committees remained the same as at organization.

On January 10, 1918, following the resignations of Miss Florence Howes, *Secretary*, and Mr. J. Ashley Brown, *Treasurer*, the offices were filled by Mrs. F. E. Nodocker, *Secretary*, and Mr. W. P. Stevenson, *Treasurer*.

BY-LAWS AND NEW COMMITTEES

At an Executive Committee meeting, held December 5, 1918, a set of By-Laws and Committees, recommended by the Field Secretary of the Atlantic Division of the American Red Cross, Mr. Collier Stevenson, amended by Messrs. Higgins, Stevenson, (W. P.) and Albright, to suit the requirements of the Roselle Branch of the Elizabethtown Chapter, were formally adopted.

Under the new ruling a wider scope was given to committee work, while two new committees were added, Nursing Information and Service Badges.

Nursing Information. Headquarters were established in the Public Library, where trained and practical nurses could register for service. Questionnaires covering twelve registrations were delivered to the Elizabethtown Chapter by this committee.

JUNIOR RED CROSS

In April, 1918, following a suggestion offered by Mrs. W. R. Hill, a Junior Red Cross Auxiliary was formed in the Roselle Public Schools, under the direction of Miss Beulah Gradwohl and Miss Edith Kingsland.

Each grade was assigned definite work under the supervision of the teacher in charge. Through their splendid coöperation, 1900 pieces were turned over to the local Red Cross for Belgian Relief. Knitted blankets and scrap-books were also sent to Colonia Hospital.

Funds to carry on the work were raised by the organization, through membership dues, a Card Party given by the teachers, the selling of tinfoil, Larkin's soap, and also entertainments given by various groups. The total amount collected was \$457.99. A balance of \$110.86 was handed over to the Red Cross Branch of the Elizabethtown Chapter at the close of the war.

RED CROSS AUXILIARY

A Special Red Cross Auxiliary for the colored people of the Borough was formed in November of 1918, with Mrs. Mary A. Jones as Chairman. Work was supplied to them from the work-room of the local Red Cross.

THE RED CROSS DRIVES

Many successful Drives were conducted by the Red Cross, notably the Financial Drives, Mr. C. P. Higgins, *Chairman*, which aggregated nearly \$10,000 between 1917-1918; the Belgian Relief Garment Drives, Mrs. J. F. Hardiman, *Chairman*, 1918, 600 pieces collected; Mrs. W. P. Howe, *Chairman*, 1919, 10 barrels shipped abroad; the Linen and Money Shower for French Hospitals, Miss A. E. Rowell, *Chairman*, in which 1081 pieces and \$40 were collected.

RED CROSS CHRISTMAS BOXES

In 1917, two hundred Red Cross Christmas boxes were sent to "our boys" over seas, and one hundred in 1918.

FRUIT PIT BARREL

The activities of the Red Cross were many and varied, often unique. Following a request of the government, on September 27, 1918, a barrel, distinctly Red Cross in decoration (the work of Mr. John Blust), was placed in front of the Borough Hall, for the collection of fruit pits and nut shells. These the government turned into carbon, using this element as a purifier for the gas masks.

RED CROSS BENEFITS

A wonderful spirit of patriotic devotion to the Red Cross and its needs was manifested in the number of benefits given by old and young. Candy and cake sales, afternoon teas, flower sales, minstrel shows, card parties and dances, stereopticon lectures and various other attractive entertainments received the hearty sup-

port of the community. One deserving especial mention was an Operetta entitled "Yokohama Maid." This was planned by Mrs. William Mahnken, and executed by a large cast, prominent among whom was Mrs. A. L. Webster. This benefit netted between \$450 and \$500.

A Rummage Sale also brought successful results, to the amount of \$200. The Committee and assistants who had this Red Cross benefit in charge included Mrs. O. P. Schneeweiss, *Chairman*, Mrs. W. A. Keddie, Mrs. J. L. Sauerbrun, Mrs. M. R. Haffenden, Mrs. J. F. Stout, Mrs. S. J. Patterson, Mrs. W. R. Hill, Mrs. Harry Cashmore, Miss Janice Cashmore, Mrs. Louis Vossler, Mrs. R. Cristiani, Miss E. D. Warner, Mrs. Cosulich, Miss Rita McDevitt, Mrs. J. F. Hardiman, Miss Clara Krouse and Mrs. E. L. Lillibridge.

REFUGEE WORK

From the 1st of December, 1918, until the middle of April, 1919, the local Red Cross turned its attention to Refugee Work. When the workroom closed, April 9, the Reclamation Committee reported:

Mended 300 pairs socks
140 O. D. shirts
70 pairs drawers

The Surgical Dressings Committee disposed of surplus material in the following manner:

Base Hospital No. 3, Colonia, New Jersey:

450 5-yard rolls for major amputations

No. 5 new absorbent
Old linen

Mercy Committee of Base Hospital No. 3, Colonia, New Jersey:

No. 8 absorbent cotton
150 yards gauze in piece
No. 5 non absorbent cotton

SERVICE BADGE COMMITTEE

The work of the Service Badge Committee commenced when all other Red Cross activities had ceased. It was the pleasure of this committee to present Service Badges to all people in the organization who had worked 800 hours and over and who presented their names to the chairman of this committee. Forty-five persons responded. The list is as follows:

1. Mr. C. P. Higgins	23. Mrs. F. Conway
2. Miss A. E. Rowell	24. Mrs. C. A. Van Why
3. Miss E. D. Warner	25. Mrs. J. F. Lary
4. Miss M. C. Warner	26. Mrs. H. Krouse
5. Mrs. E. L. Lillibridge	27. Miss C. J. Krouse
6. Mrs. C. A. Smith	28. Mrs. W. A. Keddie
7. Miss B. Jouet	29. Mrs. G. Vaughan
8. Mrs. F. E. Pierce	30. Miss M. Mulford
9. Miss M. Stevenson	31. Miss Ruth Prout
10. Miss E. Berdan	32. Mrs. E. Cashmore
11. Mrs. S. F. Barrett	33. Miss Ruth Pierce
12. Mrs. J. D. Stout	34. Miss Ethel Long
13. Mrs. R. Hager	35. Mrs. J. K. Mulford
14. Mrs. J. W. Bishop	36. Mrs. H. M. Gardiner
15. Mrs. W. P. Howe	37. Miss Helen Parks
16. Mrs. J. F. Hardiman	38. Mrs. S. J. Patterson
17. Mrs. F. W. Leake	39. Mrs. O. P. Schneeweiss
18. Mrs. J. E. McGiffert	40. Mrs. W. R. Hill

21. Mrs. J. B. Jackson	43. Mrs. William Mahnken
22. Mrs. J. Gale	44. Mrs. E. Warner
	45. Mrs. E. P. Tenney

The Supplies and Production Committee attended to the disposing of the workroom equipment.

A request preferred by the Needlework Guild for sewing machines, to aid in reconstruction work in and around St. Quentin, France, was granted. Three of the machines were put in order and passed inspection for foreign service. The contributors were Mrs. C. P. Higgins, Mrs. M. E. Wickett, and Mrs. W. D. Ernest.

One of the electric motors was presented to the Mercy Committee, while two sewing machines were loaned to them. The tables were stored for future use, and thus the doors of the workroom were closed upon a scene unparalleled in Borough history.

The foregoing account is but a light touch upon the canvas. The deeper strokes were those made brilliant through loyal and faithful devotion to the needs of suffering humanity, offered so generously by the people of Roselle.

LIBERTY LOANS

To the faithful and efficient committee work of the citizens of the Borough is due the over-subscription to the five Liberty Loans. Theirs was a worthy backing for our loyal defenders at the front.

The twin Boroughs worked as a unit in the first two loans, but independently in the last three.

<i>Quotas</i>	<i>Subscriptions (Roselle)</i>
\$141,000	\$119,100
211,000	161,250
49,800	474,150
100,000	283,200
74,750	161,350

J. Ashley Brown, Treasurer of the First National Bank of Roselle, held the position of General Chairman in the First and Second Loans, the dates of which were April and October, 1917, respectively.

In the First Loan the greater part of the subscriptions were secured by a committee of women from the Boroughs, working under the direction of Mrs. Warrington G. Lawrence.

The Roselle Committee included Women's Committee (team work):

Chairmen:

Mrs. C. W. MacQuoid	Miss M. L. Tenney
Mrs. H. M. Slauson	Mrs. W. P. Howe

The Third Liberty Loan was surrounded by a bulwark of patriotism. Sunday, April 7, 1918, was set aside as a day to be devoted to patriotism in general and the Third Liberty Loan in particular. Following a request of the Mayor's, a part of the services in the churches was devoted to this subject. On the 12th of April, a mass meeting was held in the High School building, at which the Red Cross workers, the Home Guard Unit of the Defense League, and the Boy Scouts marched in uniform.

The initial impetus to the Loan was given in an inspiring address delivered by Mayor MacQuoid. A second patriotic rally was held on April 23, in the auditorium of St. Joseph's Parochial Hall. Dr. O. H. L. Mason, a Y. M. C. A. Secretary recently returned from France, was one of the speakers. It is interesting to note that Dr. Mason had the honor of presenting to ex-President Theodore Roosevelt the bullet which wounded his son, Archie, in a recent battle in France.

Sergeant Colbrough, late of the Australian Imperial Forces, and Frederick Elsworth, one of the Secretaries of the Title Guarantee and Trust Company of New York City, also gave inspiring addresses. One pleasing feature of the program was the singing of the new Liberty Loan Anthem, by a special choir composed of singers from the Borough churches.

Private "Pat" Collins, of the Twenty-fourth Battalion, Canadian forces, later gave a thrilling account of his experiences in the trenches and on the battle front.

Mr. Erwin Mutch led the choir in the patriotic songs of the evening, also rendering a delightful solo.

A third rally was held in the Southeastern section of the Borough on Sunday afternoon, April 18. The chairman of the Loan, Mayor MacQuoid, addressed the residents of that district at school No. 4 on the issue at hand. Warrington G. Lawrence, chairman of the War Savings and Thrift Stamp Committee, and Walter B. Mehl,

of the Mehl Machine Tool and Die Company, also made patriotic addresses.

The Home Guard and Boy Scouts marched to the school in a body, while six automobiles, loaned by Mrs. W. G. Lawrence, Mrs. E. C. Hill, Walter Mehl, Mrs. R. Cristiani, Mrs. T. T. Berdan and E. L. Lillibridge, carried patriotic citizens to the meeting.

More than a thousand dollars in Government securities were pledged that afternoon.

All of these patriotic assemblies helped to place the Borough, at the end of the Loan, far "over the top."

The Executive Committee assisting Mr. MacQuoid in this Loan were:

The amount collected by the Woman's Committee was \$48,000.

On September 27, 1919, the Fourth Liberty Loan was ushered in with blowing of whistles and ringing of bells, suggestive of an Independence Day celebration. It needed no further demonstration, however, to bring forth a ready and loyal response from the citizens of the Borough.

The General Chairman for this Loan was Roland B. Randolph, who was assisted by the following gentlemen:

E. A. Albright	R. Letcher	F. G. Montag
F. A. Fitzgerald	W. M. Craft	W. T. West
A. B. Hunicke	W. M. Hager	F. G. Wright

Mrs. C. Drake	Mrs. Russell Hager
Mrs. F. A. Fitzgerald	Mrs. S. C. Greves
Mrs. B. C. Millikin	Mrs. W. Bradshaw

Fifty thousand dollars was the amount collected by the women during the Loan.

Prizes of medals were given by the Government during this Loan to school children of the 8th Grade and 1st year High, and also to Parochial school children in corresponding grades, for the best essay on the Fourth Liberty Loan.

Prizes were won by the following pupils:

Beatrice Hadley, 8th Grade
Elsie Rohleder, 1st Year High
Lodis Oglowitz, 8th Grade (Parochial School)

It is a noteworthy fact that the committee of this Loan decided, when their work was completed, to retain their organization so that in the event of further patriotic financial work, they might be ready to act without delay.

The Executive Committee included:

Mrs. W. J. MacLaughlin, *Chairman*

Mrs. L. J. Sauerbrun Mrs. B. C. Millikin

Mrs. H. L. Gerstenberger Mrs. C. Eberstaller

Miss A. H. Hume

The Victory Loan Campaign was opened on April 21, 1919. Roland B. Randolph, General Chairman for the Fourth Liberty Loan, acted in the same capacity for the Fifth.

The Citizens Committee of the previous year, with but few changes, served with Mr. Randolph in the new campaign.

The Woman's Committee was directed by Mrs. W. J. MacLaughlin, who in this Loan rounded out her third term as Committee-Chairman.

Following is the list of Committees—Men's Committee:

In this Loan \$150,000 was subscribed through the efforts of the Woman's Committee, but they gratefully acknowledged the assistance given them by the Citizens' Committee, who placed in their hands many large and generous subscriptions, in order that the sale of these bonds might be credited to the Woman's Committee.

Government medals and certificates for the best essays on the Victory Loan were awarded to:

Mabel Miles, 8th Grade	}	Public School
Vivian Mowen, 1st Year High		
Thomas Dermody, 8th Grade	}	Parochial School
Helen Keily, 8th Grade		
Marie Burns, Commercial Class		
(Certificate)		

The services of all women assisting in the Victory Loan were recognized by the bestowal of an attractive medal. These the Chairman presented to her committee, while she in turn was given one of the helmets which the Prussians expected to wear into Paris.

It was most gratifying to the Woman's Committee to receive,

at the end of the campaign, a letter from Mrs. Otto WittPenn, State Chairman of the Woman's Victory Loan Committee, offering her congratulations on the splendid patriotic work which the Committee had accomplished.

As a crowning point to the efficiency of the Roselle workers during the Victory Loan drive, it is interesting to note that Roselle led all other banking towns in the County in subscriptions.

THRIFT STAMP AND WAR SAVINGS CERTIFICATE WORK

One of the most helpful war agencies, under Government supervision, was the Thrift Stamp and War Savings Certificate work, administered to meet the needs of city, town and hamlet, throughout the United States. The work in Roselle was promoted through committees, Warrington G. Lawrence acting as chairman.

The committee in charge of specified work was as follows:

E. L. Lillibridge and David C. Lewis in the interest of Churches and Sunday Schools.

Mrs. W. G. Lawrence, Mrs. J. L. Warner, Mrs. F. W. Veghte and Miss Gardiner for clubs and factories.

H. R. Benedict and R. M. Fraunfelter in charge of public schools.

Jay W. Rewalt, assistant to committee in general work.

A vigorous campaign for the sale of Thrift Stamps and War Savings Certificates was opened on January 24 to 31, 1918. The object was to raise \$80,000 before the end of 1919.

After six months' work in the Borough, the chairman reported, with pardonable pride, that Roselle stood fourth as a war-saver in the list of cities and towns in the State. The Secretary, Miss Hume, reported that \$43,000 worth of securities had been subscribed, through bank and post-office, in that time. Every effort was made by the committee to stimulate interest in the purchase of War Savings securities.

Among these was a specially observed day each month, known as "Thrift Day."

On Sunday, April 7, 1918, at a patriotic rally held in the southeastern district of the Borough at School No. 4, W. G. Lawrence, Chairman of the Thrift Stamp and War Savings campaign, spoke in the interest of these securities, as did also Walter B. Mehl, a member of the committee.

With a view to pushing the sale of the securities the National War Savings Society organized a \$1000 limit club. The plan was to secure as many persons as possible in New Jersey, who

would obligate themselves to purchase \$1000 worth of stamps during the year. Letters stating the object of the enterprise were sent out by Thomas A. Edison and signed by the famous inventor. A response to the appeal was at once made in Roselle.

Percy C. Kingsbury of No. 424 Third Avenue East held the distinction of being the first citizen recorded from the Borough to pledge himself to the \$1000 limit club.

In June, 1918, in accordance with government directions, a house to house canvass was made, and War Savings pledges distributed to all residents of the Borough. Twelve hundred and sixty-five pledges was the result of the drive, with an additional 250 reported as probable pledges. The approximate sum subscribed through this effort was \$26,000.

The Captains appointed in charge of the various districts were:

Mrs. M. C. Thyng	D. C. Lewis
Mrs. F. W. Veghte	E. L. Lillibridge
Mrs. F. A. Fitzgerald	L. O. Graves
Mrs. T. T. Berdan	J. W. Rewalt
Mrs. W. G. Lawrence	W. B. Mehle
Mrs. J. F. Hardiman	F. A. Fitzgerald
Mrs. W. J. MacLaughlin	M. Moisesco
Miss A. H. Hume	

The final night of pledge week was celebrated by a mass meeting held at the Roselle High School, at which prominent speakers told of the importance of conscientious thrift in the winning of the war. In the latter part of 1918 W. G. Lawrence, *Chairman*, was obliged to relinquish his duties, because of business interests in the South. He was succeeded by Walter B. Mehl.

On January 6, 1919, the yearly Business Meeting of the War Savings Committee was held at the First National Bank.

The report of the Secretary, Miss Hume, showed that every effort had been made by the committee to stimulate interest in the purchase of War Savings securities in the community, throughout the campaign. The result of their efforts was manifested in the fact that not only the Borough's quota of \$80,000 was secured, but that the amount had been surpassed by \$11,288.43, making a total of \$91,288.43.

Much credit was given Mrs. T. T. Berdan for the success of the drive, as over \$32,000 worth of securities were sold under her supervision.

The chairman gratefully acknowledged the enthusiastic and well organized work of the Boy Scouts. She stated that practically

no household in the community had been overlooked by them in their canvass of the Borough.

Mr. Mehl declined to accept the chairmanship of the Committee for 1919, owing to pressure of business, hence the appointment was left to the 1919 County Chairman.

Sunday, June 22, 1919, was appointed Thrift Sunday by the Savings Division of the Treasury Department. Each congregation in the Second Reserve District received a message from

Secretary Glass, of the Treasury Department, explaining why the Government was fostering the spirit of thrift as a permanent American characteristic. Pastors were asked to devote a part of their sermons to the subject of saving, and as a personal touch to the subject, a letter was sent to all denominations by Harold Braddock, director of the Savings Division. A part of this letter reads as follows:

“We are hoping you will be able to assist the local Savings Director in carrying on the savings campaign in this community, and that you will impress upon the members of the organizations connected with your church the desirability of careful saving for some worthy object. It would seem advisable for them to enroll as Government Savings Societies. The Savings and Thrift Stamp securities offered by the Government are so safe and so accessible to the investor of small amounts that we feel that they should be well adapted to the needs of any church organization. We also feel that if the members of these organizations begin investing their savings in Government securities, it will aid the members to feel that they have a more direct stake and interest in their Government and make them more intelligent citizens.”

FOOD CONSERVATION

The subject of food conservation was brought before the minds of the people of Roselle, through the efforts of the Homemakers' Association, Mrs. John L. Warner, President.

This organization called a public meeting at the Borough Hall, on June 22, 1917, to consider plans for the formation of a committee, to assist the government in food conservation.

The presiding officer at this meeting was C. W. MacQuoid. Mrs. E. M. Gibby acted as Secretary *pro tem*.

It was voted that the new organization should bear the title of The Borough Committee on Food Conservation.

The officers elected were:

The Food Conservation Committee gratefully acknowledged the generous assistance of the Board of Education of the Roselle School in furthering their work, to the extent of placing at the disposal of the committee the services of their Domestic Science instructor, Miss Beulah Gradwohl, for the entire month of August and several weeks in September, 1917.

Through the courtesy of the First Presbyterian Church, the Chapel kitchen was used for canning and drying demonstrations, until August 1.

A drying apparatus was later installed in the school by the Board and a complete canning apparatus was purchased by the committee.

The plan of work, as arranged by Miss Gradwohl, called for the

attendance of every woman ready to help, at one of the tri-weekly demonstrations in canning and drying, according to the latest scientific methods.

These demonstrations were held on Monday, Wednesday and Saturday mornings, from 9 until 12 o'clock, at the Chestnut Street school.

The person thus instructed was asked to give a second morning to supervise the work of two others. By this method, the responsibility of the work was distributed among all.

In addition to this, the women thus instructed were asked to pass their knowledge on to those in their immediate neighborhood.

Under Miss Gradwohl's direction, 1000 jars, bought by the committee, were not only filled, but it was found necessary to purchase 100 additional ones.

The filled jars were placed upon the shelves of the commodious closet adjoining the Domestic Science room.

The labels read:

sweet corn	string beans	mustard pickle	Bordeaux sauce
tomatoes	lima beans	pepper hash	peach jam
Swiss chard	apple sauce	green tomato soy	grape jelly
carrots	sugar beets	India relish	grape jam
squash	spiced pears	yellow tomatoes	tomato pickle

59. Mrs. Garthwaite	84. Miss Chambers

Miss Gradwohl worked with patience and untiring energy and received the hearty appreciation of the women with whom she was associated. When the result of her labor was later placed before the public, she received the commendation of the entire community.

On January 17, 1918, the first sale of canned goods was held in the basement of the Chestnut Street School. The sale was arranged by Mrs. J. C. Riley, Chairman of the Canning Committee.

An important ruling made by the General Committee was that the commodities should be sold only to residents of the Borough and that but one jar of each variety should be sold to any one purchaser.

This was made for the protection of the people of the community, for whom the canned goods were intended. The work had been started with a view to the probability of a shortage in canned goods, due to war conditions.

The expense involved by the purchase of canning equipment for the committee was met by a loan from C. W. MacQuoid;

hence the proceeds of the various sales assisted in the cancelling of this indebtedness.

The price asked for the commodities covered only the cost of food stuffs and equipment.

As a result of the various sales, the entire stock was sold, the debt paid, and a balance of \$44.38 was presented to the Mercy Committee.

FOOD PLEDGE CANVASS

During the week of October 28 to November 4, 1918, a food pledge canvass was conducted throughout the Borough, under the supervision of the Borough Committee of Food Conservation. W. C. Hope acted as local chairman.

Hoover Pledge Cards were taken to every house in the Borough by a committee of women, whose duty it was to secure the signature of each householder; Whereupon a Food Conservation card was presented, with a request that it be hung in a front window.

Headquarters were opened in the Borough Hall, during that week, where the Captains of each team presented their signed cards each day, between the hours of four and five, in the afternoon.

Mrs. J. L. Warner, Chairman of Food Conservation, received the cards at Headquarters.

The Captains of the various districts are as follows:

Mrs. Clarence S. Wood, First District
Mrs. O. P. Schneeweiss, Second District
Mrs. W. A. Keddie, Third District
Mrs. E. L. Lillibridge, Southeastern District
Mr. Max Levine

CANVASSING COMMITTEE

12. Mrs. F. E. Nodocker	25. Miss E. D. Warner
13. Mrs. J. F. Stout	26. Miss Clara Krouse

Many organizations also assisted in the canvassing, including:

1. Parent Teacher Association
2. Junior Order American Mechanics
3. Home Guard

The number of signed pledges received amounted to about 1200, which was more than 300 in excess of the number which the committee pledged themselves to secure.

Besides the public demonstration before mentioned, free literature was placed in the Public Library, at the disposal of all interested persons.

COMMUNITY MARKET

On the 1st of August, 1917, a Farmers' Community Market was opened, under the auspices of the Borough Committee on Food Conservation.

Through the courtesy of Schwarz Bros., the vacant lot adjoining their building on Second Avenue was used for this purpose.

Mrs. W. J. MacLaughlin, Chairman of the Market Committee, supervised the enterprise. It was through her splendid efforts that the project brought into prominence a congenial community spirit, the result of which was a closer touch between producer and consumer, thus eliminating the middleman and enabling the marketer to purchase at reasonable prices.

On opening day ten farmers were on hand with well-stocked wagons, while a number of boys, cultivating war gardens, were present with their produce. Later, chickens and fresh eggs were on sale.

The low prices which prevailed placed the commodities within the reach of all for winter conservation.

Surplus fruit and vegetables were bought by the Canning and Drying Committee, for demonstration purposes, and were transferred to the Chestnut Street School by the Motor Committee.

Market days, Wednesday and Saturday mornings, presented a busy scene. By seven o'clock, farmers were in line, with their wagons arranged in orderly rows, a man at the rear of each, who kept things lively, soliciting trade and shouting prices.

Farmers of the vicinity and S. Jacobs, of the local Fruit and Vegetable Market, coöperated heartily in the enterprise.

Small express wagons, filled with produce from the war gardens of the children of the Borough, were a conspicuous part of the Community Market.

The "Wenz Boys," as they were termed, had one of the largest

known gardens in the southwestern section of the Borough. They were on hand market days with a plentiful supply of vegetables, which were quickly disposed of.

Market day was the signal for an early breakfast among housewives, after which, with market basket, empty baby carriage, express wagon, or other convenient receptacle, the line of march advanced toward Second Avenue. By opening hour, the street was filled with motors, while the sidewalk presented a motley throng of pedestrians. It was a scene to be remembered.

The market was continued until late fall, when all garden produce had been gathered in.

CONSERVATION FOR STORE DELIVERIES

In the spring of 1918 the Homemakers' Association, Mrs. J. L. Warner, President, called the attention of the Borough to the government's request in regard to deliveries.

Housewives were urged to plan their orders ahead and not to demand extra service from the stores.

The delivery hours in the Borough were 9 A.M. and 2 P.M.

It was suggested by this committee, that by sending their orders promptly, housewives would be doing their bit, thereby making it possible for all tradespeople to have an equal chance in giving satisfaction and in keeping their trade.

It was further urged, that wherever possible, people should carry their own packages, thus releasing labor for more vital tasks and conserving gasoline for the serious business of war. This suggestion received prompt attention and was, in general, patriotically adhered to.

GOVERNMENT ALLOWANCE FOR FOOD CONSERVATION

In regard to Food Conservation, it is interesting to note that the government allowance for sugar and for flour is as follows:

Sugar: 2 lb. monthly per capita

Flour: to every pound of flour purchased, its equivalent in cereal (not wheat) up to 24 lb.

PROCLAMATION ON CONSERVATION

A proclamation calling for the practice of thrift and the conservation of food was issued by Mayor MacQuoid, in June of 1918.

It reads, in part, as follows:

"The food problem is serious. Wheat should be eliminated from our diet as completely as possible, in order that we may supply it to our Allies, it being the only grain which does not spoil in transit. Much may be accomplished toward solving the food problem, by the raising of vegetables and storing up of as many as possible for next winter.

"I, therefore, urge all citizens to join in the war garden movement, feeling assured that no one will regret having done so."

CONSERVATION OF COAL

It was found necessary to conserve along all lines during the war.

In the latter part of the year 1917 the coal situation became acute and the Borough of Roselle came in for its share of disquietude.

On New Year's night, 1918, the Board of Education, Board of Health and Mayor and Council, held a joint meeting, to consider the problem of coal supply. At this time practically no coal was available from any of the dealers in the twin Boroughs.

To determine the true state of affairs in the homes, the Borough authorities called out the Home Guard to canvass the Borough and to investigate the situation. The Police Department also assisted in the work.

The result of the canvass showed that 725 houses had been visited. In the majority of cases a certain amount of coal was found, but 75 families were reported without fuel.

Through the prompt action of those handling the matter, the immediate needs of these householders were provided for.

The schools were enabled to continue in session through the generosity of the churches. The churches, in turn, conserved, by holding fewer services and, where it was practicable, meeting in the Chapel or Sunday School rooms.

All large buildings were closed, including the Roselle Golf Club. The Red Cross left their headquarters in Borough Hall and met in private homes.

CONSERVATION OF WATER AND LIGHT

Conservation of water and light was also found necessary during the trying days of the war.

A break in the trunk main near Westfield was the principal cause for the scarcity of water.

PROCLAMATION ON COAL AND WATER

On January 5, 1918, a letter of warning was sent to every home in the Borough, referring to the coal and water situation. Following is a copy of the letter:

WARNING!
TO RESIDENTS OF ROSELLE

COAL SUPPLY

The present shortage of coal has interrupted business all over this section of the State. In order to conserve their supply of coal, the Public Service Electric Company have temporarily cut off our street lights. Residents of Roselle are asked to reduce, so far as possible, their consumption of electricity and cut out all unnecessary lights.

The Borough Council, through coöperation with the Fuel Administrator, is endeavoring to supply every family in Roselle with coal before private supplies are entirely exhausted. If you cannot secure coal from your regular dealer, communicate with the Borough Hall, and the committee in charge of the distribution of coal will immediately try to get you a supply.

WATER SUPPLY

Our water supply comes from Netherwood. Owing to the extreme cold weather of the past few weeks, people have been letting their water run, to prevent freezing; this, together with the waste caused by bursting pipes, has emptied the reserve reservoir and the pumping station is unable to keep the pressure up to normal. Ordinarily we have from 70 to 80 lb. pressure on our mains. On Friday, the pressure fell to 2 lb. and many people were without water. The pressure has improved slightly since then, but in order to save every gallon of water possible, people are asked to use no more than is absolutely necessary.

As a precautionary measure the Water Company advise us to request you to Turn Off Your Water At the Cellar Wall When Not In Use.

Should the water supply entirely fail, this will prevent your house plumbing system from being drained. Should that happen and you were to allow cold water to run into your empty water backs and boilers, while fires were going, serious trouble might result. You are therefore requested to turn off your water and if

you have a water back in' your range, open the hot water faucet at the highest point in your house to serve as a vent in case of any sudden accumulation of steam.

The people are asked to do these things for the safety of the entire Borough. A shortage of coal is serious enough, but to be without water is still more serious. We cannot too strongly urge upon every resident the necessity of coöperation with the Borough Council at this time.

CHARLES W. MACQUOID, *Mayor*

EDMUND H. GRAVES, *Chairman*

Fire, Water and Light Committee

LIGHTLESS NIGHT IN ROSELLE

On January 14, 1918, the Elizabeth *Journal* stated in regard to street lights, that owing to the extreme crisis through which we are passing, the "Lightless Night" period will include every night in the week except Saturday, for the present and until further notice, by order of Richard C. Jenkinson, U. S. Fuel Administrator for New Jersey.

DAYLIGHT SAVING

A further conservation included "Daylight saving." Under the law, all clocks were advanced an hour at 2 A.M., on the 31st of March, 1918, and were set back an hour the last Sunday in October.

It was a new game to play with old Father Time, but it had the sanction of no less authority than the United States government.

Benjamin Franklin is credited with originating the idea, but the modern proposal first came from Wm. Willett, an Englishman who published a pamphlet in 1907, entitled, "Waste of Daylight."

The American plan was put into operation again in the spring of 1919, but was repealed by Congress, to take effect, October 31, 1919.

HISTORY OF THE HOME GUARD

On March 17, 1917, a circular letter was received by the Mayor or the Chairman of the Township Committee, from the Adjutant General of the State of New Jersey, by order of the Governor. The message stated that for the past several months very serious consideration had been given the question of preparing the means for adequately meeting any contingency that might reasonably be expected to arise in the event of war. The letter suggested

that sub-committees be formed to handle specifically designated parts of the general scheme of security and defence, and that the executive control of all measures be centered in one head, preferably the Mayor or other named community executive. Also, that each municipality handle its own general and special plans, interesting actively a sufficient number of its citizens to insure coöperation and support.

In response to this letter, on March 27, the late Honorable Charles W. Low, then Mayor, appointed Messrs. Emery L. Lillibridge, George H. Gere, Merritt W. Sargent, William P. Howe, Walter P. Howe, Walter P. Ten Eyck and Frederick E. Pierce, as a Committee of Public Safety.

On March 30 these gentlemen met at the residence of Mayor Low and organized.

The following officers were elected:

E. L. Lillibridge, *Chairman*

W. P. Howe, *Secretary*

G. H. Gere, *Treasurer* (later deceased) succeeded by
W. B. Hadley

(This Committee was succeeded by the Roselle Council of Defense. The request was preferred by the National Council through the New Jersey State Council.)

One of the formative plans of this committee was the organization of a Home Guard force. With this idea in mind, the committee invited citizens whom they felt would coöperate in such an undertaking, to meet at the residence of F. E. Pierce, on Wednesday evening, April 18.

Twenty citizens responded with great enthusiasm, and immediately adjourned to the High School gymnasium, where they were shown the rudiments of drill regulations, many of them for the first time.

Their names follow in the order of their early rank:

Captain: * F. E. Pierce

1st Lieutenant: M. W. Sargent

1st Sergeant: *** Frank Cristiani

Quartermaster Sergeant: G. H. Gere (later deceased)

Corporals: * R. M. Fraunfelter, * W. B. Hadley, * H. W. Swart,
** H. Wagner, F. W. Walker.

All the above had received military experience or training.

Privates: P. F. Benedict, * F. E. Bloss, * W. P. Howe,

F. D. Hahn, * E. L. Lillibridge, * E. K. Pierce,

** F. A. Read, * W. P. Ten Eyck, ** Rev. C. S. Wood.

The first call for drill was issued for Saturday evening, April 21. Fifty-six men responded. This number was soon increased to one hundred and twenty-five.

Drills for non-commissioned officers were held on Tuesday and company drills on Friday evenings, until about July 1, when the non-commissioned officers' drills were discontinued.

Special work delegated to the Home Guard was as follows:

May 10-25, 1917. Government census of male residents of the Borough.

June 5, 1917. First registration day, acted as guard at Borough Hall.

January 2, 3, 4, 1918. Coal census of Borough made at request of Mayor MacQuoid. Shortage of coal, and extreme weather, cause. Result was the distribution of fuel to about one hundred families, where need of same was insistent.

April 12, 1918. Liberty Loan parade and mass meeting at High School.

April 14, 1918. War Savings Stamps Drive parade to the southeastern district of Borough.

April 23, 1918. Liberty Loan mass meeting at St. Joseph's Hall.

April 26, 1918. Liberty Day parade.

May 3, 1918. Escort to His Excellency, Governor Edge, and the Mayors and Councils of the Boroughs of Roselle and Roselle Park, to the Liberty Loan mass meeting at St. Joseph's Hall.

June 28, 1918. Parade and War Savings Stamp drive to the High School.

July 4, 1918. Review, drill and dress parade in connection with Independence Day celebration on High School lawn.

July 14, 1918. Parade and exercises at High School in celebration of Bastile Day.

July 8 to September 12, 1918, inclusive: Police guard of various sections of the Borough, 202 patrols made by members during this period.

The total drills, parades and ceremonies numbered sixty-seven; general census of the Borough two.

Twenty-seven members of the organization responded to their country's call. Fourteen (14) of these men received commissions. Two (2) attained non-commissioned rank. Two (2) received training at petty officers' school, Pelham Bay. Two (2) at Student Training Camps. Four (4) Army, Navy and Marines. One (1) in selective service, in unknown grades, and two (2) Y. M. C. A. Secretaries.

The list follows in alphabetical order, together with rank or grade:

Frank A. Apgar, *Sergeant*, Aero Squadron
 Russell W. Birdsall, *Lieutenant*, Royal Air Force
 Percy Bradshaw, *Captain*, Ordnance Department
 George Burt, *Corporal*, U. S. Army

CELEBRATION OF NOTABLE EVENTS

In the year 1917 President Wilson issued a proclamation, appointing June 5 for Registration Day. Following this message came one from New Jersey's Chief Executive, Governor Edge, designating the day as a legal holiday.

To remind the male citizens of the Borough that the important day had arrived, Mayor MacQuoid ordered the bell at Borough Hall to be sounded at 7 A.M., 12 M., and 6 P.M.

The plans for registration were carried out under the terms of the original Selective Service Law, calling for men from 21 to 31 years of age.

Enrollment took place at Borough Hall.

On April 26, 1918, in accordance with a proclamation issued by President Wilson, Liberty Day was fittingly observed in the Borough, by a parade of the various organizations.

The affair was conducted under the supervision of the Third Liberty Loan Committee. Captain Fred E. Pierce, of the Home Guard Unit of the Defense League, organized the parade and led it in the capacity of Marshal.

The procession started promptly at 3 o'clock, in front of the Chestnut Street School. The Honorable Charles W. MacQuoid, chairman of the Liberty Loan Committee, and W. C. Hope, of the Executive Committee, followed the Marshal as Chiefs of Staff. They were escorted by S. E. Hammer, of the United States Navy, and E. P. Freeman, of the Canadian Army, who later made addresses. Then came the Military Band, followed by members of the Liberty Loan Committee, the Home Guard, the Boy Scouts, and school children, including those from the public schools and also St. Joseph's Parochial School.

A feature of the procession was an enormous American flag,

belonging to the Red Cross, which was carried by high school girls, members of the organization, who wore the head-dress of the society.

Masters Charles W. MacQuoid, Jr., Rowland Randolph, and Dwight Hill attracted much attention in their soldier uniforms.

The scholars of St. Joseph's Parochial School, led by Reverend Father James Lundy, furnished their own band.

The public school division was led by President H. R. Benedict, Supervising Principal, R. M. Fraunfelter, and several members of the faculty.

The line of march was as follows: from Chestnut Street School through Sixth Avenue to Locust Street; from Locust Street through Fifth Avenue to Walnut Street; down Walnut Street to Fourth Avenue; through Fourth Avenue to Chestnut Street; down Chestnut Street to First Avenue.

At First Avenue, the motor section, comprising fifty automobiles, met the main division. This section, led by Mrs. Charles W. MacQuoid, had previously covered the Lorraine and Aldene districts.

The procession then reversed the order of march and proceeded to the school lawn, where an open air mass meeting, with speeches, interspersed with patriotic songs, concluded the celebration.

July 4, 1918, was celebrated in true patriotic fashion in the Borough.

An appeal was issued by the Council of National Defense to all State Councils, requesting them to communicate with the local councils on plans for an appropriate observance of the Fourth of July.

Mayor MacQuoid appointed Captain Fred. E. Pierce, of the Home Guard Unit, Chairman for the celebration. Members of the Unit assisted Captain Pierce in formative plans. The celebration was held on the green, in front of the Chestnut Street School, at 8 p.m., Fourth of July evening.

The program included:

1. Concert by Marconi Band of Aldene, New Jersey.
2. Invocation by Reverend Charles E. Goodall.
3. Singing of "America," led by male quartet, accompanied by band.
4. Pledge of Allegiance to the Flag, by the Boy Scouts.
5. National airs by band.
6. Singing, "Star Spangled Banner," led by male quartet, accompanied by band.

7. Reading of the Declaration of Independence, by Mayor MacQuoid
8. Singing of patriotic songs led by male quartet, accompanied by band
9. Reading of a message from President Wilson.
10. Dress Parade by Home Guards, followed by a short drill, and a review by Mayor and Council.
11. Salute to the colors.

Bastile Day, the French national holiday, was appropriately observed in the Borough, on Sunday evening, July 14, 1918, by a patriotic demonstration and mass meeting arranged by Mayor Charles W. MacQuoid.

The parade, under the leadership of Grand Marshal Fred. E. Pierce of the Home Guard Unit, formed at Borough Hall and marched up Chestnut Street to the High School, where it was estimated that over 600 persons enjoyed an interesting program.

Mrs. W. P. Howe and Miss Alice Pope wore Liberty Caps typical of the French Revolution, and held long streamers, attached to which was a beautiful Joan of Arc banner, carried by Mr. Gilmore. An escort of Borough police preceded them. Following them came the Mayor and Council, Third Liberty Loan Committee, Board of Education, Home Guard, Boy Scouts, Red Cross, War Savings Committee, Men's Clubs, and Junior Order American Mechanics.

Hundreds of French and American flags added a patriotic and gala touch to the procession.

The program arranged for the celebration included:

1. Patriotic Songs, led by Home Guard members, and a special choir, accompanied by Miss Mary E. Warner, organist of the First Presbyterian Church.
2. Invocation, Reverend Charles E. Goodall (Pastor of the First Baptist Church).
3. "La Marseillaise," sung by Mrs. Collier of Cranford, audience joining in chorus.
4. Introductory remarks, Mayor Charles W. MacQuoid.
5. Address and benediction, Reverend Herbert K. England (Pastor First Presbyterian Church).

September 12, 1918, was designated as Registration Day, by order of the War Department. Feeling the importance of a loyal response to the call of the Government, Mayor C. W. MacQuoid issued the following proclamation:

PROCLAMATION

WHEREAS Thursday 12, has been designated by the War Department as the national registration day for men between the ages of 18 and 20 inclusive, and 32 and 45 inclusive, and whereas it is the patriotic duty of all men of the ages named to register on that day and whereas the citizens of the Borough of Roselle have never failed to respond loyally to each call of the national government: Now therefore, I, Charles W. MacQuoid, Mayor of the Borough of Roselle, call to your attention the national registration day, feeling assured of a 100 per cent prompt and voluntary registration as your answer to the enemy's claim that "American intervention would be inconsiderable from a military standpoint."

CHARLES W. MACQUOID, *Mayor*

The Mayor added to the above message a request that all patriotic residents of the community display flags on that date. To further call attention to the significance of the day, the Mayor ordered the bell at Borough Hall to be sounded at 7 A.M., 12 M., and 6 P.M.

All men from 18 to 45 years, inclusive, were directed to register, under the provisions of the new Man Power Bill, upon which the War Department officials were depending for the necessary fighting forces to win the war.

RELIGIOUS OBSERVANCES

In the fall of 1917 a proclamation was issued by the then Mayor, Charles W. Low, requesting the people of the Borough to assemble in their places of worship on Sunday, October 28, in an attitude of supplication, that God would grant his favor to the Allies in their righteous fight for liberty.

On May 25, 1918, a proclamation was issued by Mayor C. W. MacQuoid, calling on the people to unite in the observance of Memorial Day. The text of the proclamation reads as follows:

MAYOR URGES ALL TO JOIN SERVICE

CALLS ON PEOPLE TO UNITE IN MEMORIAL DAY PRAYERS

Roselle, May 25. The following proclamation, calling on the people of the Borough to unite in the observance of Memorial Day, was issued today by Mayor Charles W. MacQuoid:

Saturday, May 25, 1918.

WHEREAS, President Wilson has proclaimed Memorial Day as a day of public humiliation and prayer, I feel it my duty to the citizens of Roselle to call to their attention the proclamation, trusting that the clergymen of the Borough will arrange to hold services in their respective churches on Memorial Day morning. Our prayers should ascend to Almighty God for the many mercies and blessings vouchsafed to us; beseeching His most gracious guidance through this time of stress and anxiety and that He may finally give victory and a lasting peace to the nations of earth.

Signed
CHARLES W. MACQUOID,
Mayor.

Furthering this request, a special patriotic service was conducted in the First Presbyterian Church, Sunday evening, May 27, 1918.

The Red Cross, Home Defense League and a number of civic organizations attended in a body.

The pastor, Rev. Herbert K. England, delivered a patriotic sermon, while the choir rendered special music.

On July 12, 1918, Mayor MacQuoid issued the following proclamation relative to individual prayer:

WHEREAS, our country is at war against the most unscrupulous foe the world has ever known, and

WHEREAS, we are a Christian people, believing in efficacy of prayer; Now, THEREFORE

I, Charles W. MacQuoid, Mayor of the Borough of Roselle, do proclaim and urge that each day at 12 m. all citizens should suspend such occupations as they may be engaged in, and for a time turn to Almighty God in supplication and prayer for His blessing upon our allies, upon our country, and upon those who govern us; our army and navy, the sick and the wounded, and all who minister to them, and that the souls of the heroes who have sacrificed their lives for their country may, through His mercy, enjoy everlasting peace and that He may speedily grant to us, and to our allies, an early peace with victory.

A special signal to call attention to the hour of prayer was sounded at the Borough Hall immediately after the usual noon signal, as follows: four sounds of three taps each.

A peace proclamation was issued by Mayor MacQuoid, immediately after peace had been declared, in November, 1918.

The text of Mayor MacQuoid's appeal follows:

PEACE PROCLAMATION

MAYOR MACQUOID CALLS FOR PRAYERS NEXT SUNDAY

Roselle, November 11, 1918. Mayor Charles W. MacQuoid this morning issued a proclamation asking residents of the Borough to gather at their respective places of worship next Sunday and give thanks that peace had been restored.

The text of Mayor MacQuoid's appeal follows:

WHEREAS, it has pleased Almighty God to grant to us and to our allies a victorious peace, Now

Therefore, I, Charles W. MacQuoid, Mayor of the Borough of Roselle, New Jersey, call our citizens to assemble on Sunday, the 17th of November, in their customary places of worship to render homage to the Prince of Peace for this great blessing vouchsafed to us, and that He may give comfort and consolation to all who, through this cruel war, have been compelled to suffer in mind, body or estate, remembering in their prayers those who have given their lives that Liberty and Justice may prevail for all mankind.

CHARLES W. MACQUOID, *Mayor.*

BOY SCOUTS OF ROSELLE

The Boy Scouts of America have found the most effective means of developing the boy of today into the loyal, useful citizen of tomorrow.

This organization, which numbers nearly a half million boys in its membership, enjoys the special patronage and protection of the Federal Government.

It is the only organization that is allowed to wear the uniform resembling that of the United States Army. This privilege is confined by law to registered scouts only.

Upon America's declaration of war with Germany, the Boy Scout organization was the first, outside of the army, to be called into Federal service.

In Roselle two troops participated in war activities, Troops 1 and 3.

Julian E. McGiffert, Scout Master for Troop 1, had at the

beginning of the war an enrolled membership of twenty-three boys. Later, several names were added. The complete list is as follows:

Fred Armstrong	Ben Pollack	Arthur Van Cleef
William Armstrong	Wm. Zell	George Conway
Fred Banfield	Robert McMillan	Charles Dravis
Arthur Burt	Edwin Hamblen	Bruce Van Why
John Bloss	Eliot Warner (Eagle Scout)	Clark Walker
Leonard Gale	Wm. Donaldson	Heulitt VanDusen
Gerald Miner	Gordon Elton	Frank Wilson
Gordon Hope	Guy Warner	

Added during war:

John Berdan	Selden Greves	Wellesley Patterson
Warren Craft	Gerrett Hill	Sumner Vinton
Harry Craighead	Verne Myers	Ernest Lass
Lawrence Goe	Robt. Ostrander	Stanley Jackson

Troop 3, in the Lorraine district, had several Scout Masters during the war. Two ministers of the Lorraine Chapel, Reverend Albert Dezendorf, by whom Troop 3 was formed, and Reverend Wm. Jones acted in this capacity; also Mr. Christian Eberstaller and Mr. Wm. Arndts. The latter still holds the position. Mr. Arthur Magargy, before and after overseas service, held the position of Assistant Scout Master.

Seventeen boys are members of this Troop, namely:

Martin Bergen	Howard Frella	Arthur Ludwigsen
Fred Bennett	Frank Falkenburg	Wrighter Meyer
Paul Boyer	Henry Hopkins	Emil Schuman
Thomas Dupplessi	Wm. Hoffman	Rudolph Ulmer
Henry Derris	Floyd Jeanout	Martin Hart
	Alfred Eberstaller	

Through 1917 the Boy Scout work was mostly confined to the distribution of posters and handbills, under the various war agencies of the Borough. Besides this, they rendered valuable assistance to the Mayor. Larger tasks, however, awaited them. These were the last three Liberty Loans and the War Savings Stamp drive. In the Third Liberty Loan the soliciting of subscriptions by the Boy Scouts was confined to the last week of the drive, when Roselle's quota had been subscribed three times over. With characteristic determination the Scouts attempted what seemed the impossible, and secured \$19,600 additional subscriptions.

In Troop 1 thirteen of the twenty-four enrolled members qualified for National Honor Medals:

The successful winners were:

Fred Armstrong	Gordon Elton	Robt. McMillan
Wm. Armstrong	Leonard Gale	Arthur Van Cleef
John Bloss	Gordon Hope	Eliot Warner
Arthur Burt	Gerald Miner	Guy Warner
	Wm. Donaldson	

In Troop 3 Martin Bergen alone held the honor.

The qualification for these medals required that each contestant secure ten subscribers in the week's drive.

In the Fourth Liberty Loan drive, all restrictions were removed from the Scouts. Thirty boys participated in the work. Their subscriptions totalled \$86,500, which was a remarkable sum for these young soldiers and placed them in the list of useful citizens.

The Government requirement for honors in this Loan was twenty-five subscribers in the three weeks' drive.

In Troop 1 Honor Medals were won by six scouts, namely:

George Conway	Charles Dravis	Bruce Van Why
Warren Craft	Selden Greves	Clark Walker

Two scouts had the additional honor of being Bar Winners, which signified that they had fulfilled the Government requirements in both Loans. They were Eliot Warner and Gordon Hope.

In Troop 3 Henry Derris and Alfred Eberstaller were the successful winners.

The Victory Loan drive was participated in by thirty-one (31) boys. Twenty-three thousand dollars (\$23,000) was placed to their credit at the end of the campaign.

The Honor Medal requirements duplicated the Third Loan; namely, ten subscribers in the week's drive.

Bar Winners in Troop 1 were:

George Conway	Gordon Elton	Gordon Hope
Warren Craft	Selden Greves	Eliot Warner
Charles Dravis	Guy Warner	

Medal Winners were:

John Berdan	Ernest Lass	Sumner Vinton
Harry Craighead	Robert Ostrander	Verne Myers

Bar Winner in Troop 3: Alfred Eberstaller

Medal Winners in Troop 3:

Fred Bennett

Martin Hart

Emil Schuman

The War Savings Stamp drive also added honors to the Scout organization.

Twenty-eight Scouts were active in this drive.

The Government requirement for honors was twenty-five individual purchasers, rewarded by an Achievement Button. Also, for every hundred dollars over \$250, palms were awarded. Their quality depended upon the amount subscribed. Ace Medals were also awarded to Scouts securing purchasers for \$250 worth of stamps.

In Troop 1 an Achievement Button was won by Selden Greves, while Ace Medals were awarded to the following:

Charles Dravis

Robert MacMillan

Eliot Warner

Gordon Hope

Bruce Van Why

Guy Warner

(Ten palms were awarded to Charles Dravis.)

In Troop 3 Achievement Buttons were won by Paul Boyer and Thomas Dupplessi.

Ace Medals were awarded to:

Floyd Jeanout

Emil Schuman

Alfred Eberstaller

Alfred Eberstaller also received fourteen palms.

Troop 3 had the distinctive honor of having one of its members an expert in war gardening.

Emil Schuman fulfilled the Government requirements for this work, which was as follows:

A garden 70 by 100 feet.

Points depended upon 100 hours' work during gardening season and the inducing of other boys to engage in garden work.

The work of this young scout was inspected by the County Supervisor and also by the Troop Committee, according to Government regulations, and a bronze medal was awarded to him in 1918 by the Boy Scouts of America.

During the previous season he was awarded a five-dollar gold piece by the Parent Teacher Association, for producing the best war garden in Roselle for 1917.

It is interesting to note that an after-war garden is in process of development by young Schuman, during the season of 1919.

AMERICAN LIBRARY ASSOCIATION

In August, 1917, the War Service Commission of the American Library Association made a strong appeal to the people of the country, through the public libraries, for reading matter for the service men.

The Association, by request of the War Department, assumed responsibility for the provision of adequate library facilities in all cantonments and training camps throughout the United States.

It was stated by the Association that in addition to the thirty-two regular cantonments and National Guard training camps, there were many isolated groups of guards and several large camps, where worth-while books and clean, wholesome reading matter were needed.

The types of books suggested by them was as follows: Lives of heroes, stories of adventure, sea tales and detective stories, stirring poetry by verse-makers, such as Kipling, Service and Noyes, technical books on wireless, aviation, motors, etc., and foreign language books, especially French grammars and dictionaries, as one-fifth of the men in camp were studying French, for their service abroad. In addition, clean, standard magazines were requested. *Popular Mechanics*, *Saturday Evening Post*, *Literary Digest*, *Harper's*, and *Everybody's* were especially mentioned.

The Association arranged to have all contributions distributed to the proper places, through the local libraries of the State.

The Roselle Public Library opened its doors for the reception of books, on four mornings of the first week in September. In the appeal to the people, special stress was laid upon the words, "Good condition."

The librarian, Mrs. M. C. Thyng, ably managed the undertaking and later reported that Roselle's quota of 100 books had been exceeded by 118, through the generosity of the people of the twin boroughs. On September 26, 1917, the National Liberty War Council opened a money campaign, for the purpose of raising \$1,000,000 to supply libraries to the soldiers and sailors, in all cantonments and camps to be established at home and abroad.

Governor Walter E. Edge, through a war council, solicited the aid of Roselle in this important movement. The Roselle apportionment of five per cent of the population was \$210. The actual subscription made by Roselle was \$361.

Organization gifts for this cause are as follows:

Clio Club.....	\$10.00
Woman's Political Union.....	10.00
Parent-Teacher Association.....	10.00
Junior Order American Mechanics.....	5.00

The remainder of the amount collected was contributed by individuals.

In March of 1918 a second book drive was conducted, under the Library War Service Commission, for the purpose of securing two million books throughout the country for our soldiers and sailors.

The Roselle books were received and exhibited every morning for a week at the Public Library, where a group of patriotic women under the supervision of Mrs. Thyng, the Librarian, prepared them for circulation in the camp libraries and for shipment. The librarian reported at the close of the campaign that 1165 books had been received, prepared and shipped, and that all of them were in perfect condition. Throughout the war 1968 books were sent to the service men from the twin boroughs.

During the campaign the Motor Committee of the Red Cross rendered valuable assistance by conveying books from homes to the Library.

The final transportation was managed by Elwood Pierce, representative of the Home Guard unit of the Defense League, of the Borough. Their destination was Camp Merritt, Tenafly.

Many hundreds of magazines were also sent by the Public Library to the embarkation camp at Tenafly, and also to Base Hospital No. 3, Colonia, New Jersey.

During the United War Work campaign, Mr. W. B. Hadley, Secretary of the Library, was appointed representative of the local library, for the American Library Association.

The officers of the Library during the war period were as follows:

H. L. Gerstenberger, *President*

G. H. Burt, *Secretary* (succeeded by W. B. Hadley)

Mrs. E. L. Lillibridge, *Treasurer*

CHILDREN'S WAR WORK

The enthusiasm and interest of the children of the Borough in war work is worthy of mention.

Little Anna Plyer (10 years old), of 115 Sixth Avenue East, made a request of her mother, early in November, 1917, that she be allowed to bring two of her girl friends, Margaret Smith and Helen Millikin, home from school, to be taught the rudiments of knitting. This simple request resulted in the forming of a knitting class consisting of one hundred and fifty children.

Anna's mother, Mrs. John A. Hall, directed the children in their work. Wool for knitting purposes was at first furnished without cost, by Mrs. Hall, but as the class increased this became a burden.

The situation was explained to the Yale Chapter of New York City, who gladly arranged with Mrs. Hall to supply the class with wool and yarn, sufficient for the articles required.

The Misses Mildred Stevens, Ruth Pierce and Gertrude Parks assisted in the work.

The children used about ten (10) pounds of wool a week and completed many pairs of wristlets, scarfs, sleeveless sweaters and wash rags.

A second group of children, called "Busy Bees" later known as Earnest Workers, met once a week, at the home of Mrs. W. B. Hadley.

They materially assisted the Junior Red Cross in their war work, beside lending aid to the Belgian Relief and contributing afghans to Base Hospital No. 3 at Colonia, New Jersey.

Following is the list of children:

Alice Warner Sarah Dolan Dorothy Livingston

Jane Warner Margaret Buschor Gertrude Melzig

Dorothy Fay Beatrice Hadley Elizabeth Provost

A third group met at the home of Miss Ethel Long, where their activities centered in the Red Cross and Colonia Hospital.

Two afghans were made by the children for the Hospital, while rest pillows and bandages were gladly welcomed by the Red Cross.

Little garden plants were sold to neighbors, that the needed funds for wool might be procured.

The members of this group were: The Misses Beatrice and Mildred Hadley and Elizabeth England.

THE INDUSTRIAL ARMY

The United States Government reached out a helping hand to all lines of industry.

Even the farmer, whose helpers went with the army, was not forgotten in his need.

An industrial army at home was established, composed of young men, women and boys, who gave their daily services, for compensation, to the farmers throughout the country.

Nine of the Roselle boys joined this army, namely:

1. William H Benedict	6. Edward T. Warner
2. Horace F. Davies	7. Lollie E. Vega
3. William J. Gaffney	8. Donald C. Livingston
4. Warren N. Gaffney	9. Robert H. Davenport
5. Jay W. Rewalt	

Benedict and Davies worked on a private estate at Norfolk, Connecticut, under the Chairman of the Council of National Defense. The other seven boys joined the Industrial Army, in the peach-growing district of Vineland, New Jersey, where they picked, sorted, and shipped hundreds of crates of fruit each day.

THE BLUE CROSS SOCIETY OF THE WAR

In March of 1918 a very unique poster, representing a wounded soldier on the battlefield, accompanied by a dog, wearing a Red Cross blanket, drew an interested audience to the window of the Public Library, where it was on exhibition.

Literature, with a Blue Cross affixed, explained that the Blue Cross Society performs for the brave animals on the European battle fronts the same humanitarian service that the Red Cross performs for man. It mentioned the fact that thousands of soldiers who would have been left to die owed their lives to the intelligence and heroic devotion of these faithful aids.

In order that the subject might receive personal attention, it was stated that the enrollment in the Blue Cross Society could be made at the Public Library.

Mrs. M. C. Thyng, Librarian, who brought this splendid object before the public, received a dozen or more memberships. Three of these had a decidedly personal touch. The subscriptions read:

1. The Stay-At-Home Dog
2. Snippy Macedo
3. Pete Savin

THE ROSELLE BRANCH OF THE MERCY COMMITTEE OF NEW JERSEY

The Mercy Committee of New Jersey is an organization of women, directed by Mrs. Charles D. Freeman, of Iselin, New Jersey.

The object is to give "emergency relief" in times of general disaster, at home or abroad. At first the Mercy Committee took up various forms of War Relief work. Later, however, its interest centered in the large government hospital, covering 50 acres of land, at Colonia, New Jersey, which was built upon the estate of Mr. and Mrs. Freeman.

The hospital was completed in June, 1918, since which time 3500 wounded soldiers have been cared for. A branch of the Mercy Committee of New Jersey was formed in Roselle, April 18, 1918, at the residence of Mrs. W. G. Lawrence. Officers elected were:

Mrs. Warrington G. Lawrence, *Chairman*

Mrs. A. Wellesley Patterson, Jr., *Recording Secretary*

Mrs. David H. MacFarland, *Corresponding Secretary* (resigned)

Mrs. Stephen B. Ransom, *Corresponding Secretary*

Mrs. Stephen F. Barrett, *Treasurer*

The organization started with a membership of fifty-eight (58) and now has enrolled two hundred and sixteen (216) active and twelve (12) associate members. The Roselle Branch assisted in equipping five (5) wards in the Hospital, which included the establishment of ten (10) beds. Beside this, tables, trays, silver, etc., were contributed by the members. Following a request preferred by Colonel Upshur, a rest house for patients at the Hospital, including relatives and friends, also a canteen was opened by the Mercy Committee. The house was presented by Mrs. Freeman.

One of the Branch members, Miss Edith Berdan, became a Resident Worker at the Mercy House, where she completed eight months of service.

The Day Workers averaged twenty-one (21) per month.
The following members served in this capacity:

Miss Florence Bangert	Mrs. H. D. Woodruff
Miss Gladys Cashmore	Mrs. Charles H. Kerner
Miss Mabel Chambers	Miss Clara Krouse
Mrs. Arthur Cocks	Mrs. J. Frank Lary
Mrs. J. J. Cosulich	Miss Ethel Long

Motor and Volunteer Committee: For three (3) months this committee sent to the Hospital an average of thirty-two (32) automobiles, for the purpose of recreational driving for the patients.

Seventy (70) invitations for Thanksgiving dinners were issued, but owing to the hospitality of all the branches, only nineteen (19) invitations could be accepted in Roselle. Twelve (12) men were also entertained at Sunday dinners. Transportation was supplied by this committee.

For transportation of Canteen Workers (September to April) sixty-nine (69) cars were used.

Comfort Committee

Meetings were held weekly at Borough Hall (September to April).

The work accomplished is as follows:

For Hospital

Tray covers.....	144
Slippers (pairs).....	74
Hot water bag covers	188
Screen panels.....	115
Utensil covers.....	76
Dressing covers.....	57
Operating stockings (pairs).....	29
Knitted wash cloths.....	12
Gauze wash cloths.....	115
Bandage rolls.....	44
Stump socks.....	9
Irrigation pads.....	41
Christmas stockings.....	100

For Mercy House

Couch pillows.....	4
Bundles of linen.....	2
Bath mat.....	1
Towels.....	3

Napkins.....	2
Wash cloths.....	3

Flower Committee

Flowers were delivered to the hospital one day each week (September to April) amounting to

300 bouquets
74 $\frac{1}{2}$ dozen flowers
18 containers
1 decorative plant

Entertainment Committee

This Committee was responsible for the following entertainments:

Moving Picture Show for the benefit of the Roselle Branch at Borough Hall, May 12. Proceeds \$106.12. Planned by Mrs. S. C. Greves, Mrs. R. Cristiani, Mrs. H. W. Gardiner.

Vaudeville for patients at Colonia Hospital, November 12, arranged by Mrs. C. W. MacQuoid, Mrs. A. W. Cocks, Mrs. J. L. Sauerbrun.

Vaudeville for benefit of Roselle Branch, at St. Joseph's Hall, January 7. Proceeds \$504.00. Also planned by Mrs. C. W. MacQuoid and her Committee.

Ushers Committee

It was the duty of this Committee to arrange for the accommodation of the Mercy Committee at its business meetings in Borough Hall.

Publicity Committee

This Committee reported through the local press on all business meetings, entertainments and other matters of interest pertaining to the Mercy Committee.

On October 4, 1918, occurred the Morgan disaster. Mrs. Freeman, President of the Mercy Committee for New Jersey, opened a canteen at the Engine House in Woodbridge, and sent out a hurry call for help to all the branches.

Between 12 A.M. and 12 P.M., on the day of the explosion, three thousand persons were served.

Many members of the Roselle Branch donated food and clothing and worked faithfully in the canteen and among the sick, needy and injured refugees, for nearly a week.

On October 9 the officers' quarters at the Hospital burned to the ground. Two (2) officers were burned to death and several men were seriously injured. The Mercy House opened its doors,

and the resident hostesses, Mrs. Badeau and Miss Berdan, served coffee and sandwiches to all the firemen and soldiers on that eventful night. For their splendid service Mrs. Freeman decorated these workers with the violet star set in gold.

An open-air Christmas tree, 40 feet high, was arranged by the Mercy Committee, for the celebration of Christmas, 1918, at Colonia Hospital. A chorus of voices selected from members of all the branches sang Christmas carols.

Presents were given to all in the Hospital, including medical attendants, corps boys, nurses and patients. Sixteen hundred Christmas stockings for the wounded soldiers were made in the various branches of the Mercy Committee. The Roselle Branch supplied one hundred (100) and oversubscribed its quota for the general expenses of the celebration.

The great work of the Roselle Branch centers around the Mercy House. An addition has recently been put on this building, including three bedrooms, besides an enlargement to the kitchen, and refurnishing of same.

The latest interest of the Mercy Committee is the Athletic Field, which is to be presented to the Hospital. This will afford healthful recreation for the men, besides adding a new diversion.

The total receipts of the Roselle Branch of the Mercy Committee for the year ending April 1, 1919, amounted to \$2304.99.

ORGANIZATION GIFTS TO THE WAR

THE WATSON-STILLMAN COMPANY

This company has a wonderful record of war activity and of patriotic devotion to the cause of liberty.

Following is the amount subscribed to the Liberty Loans:

First Liberty Loan, \$13,000.

Second Liberty Loan, \$20,000. Received the Honor Flag. Went "over the top" with 100 per cent.

Third Liberty Loan, \$30,000. Received the Honor Flag. Went "over the top" with 100 per cent.

Fourth Liberty Loan, \$42,000. Received the Honor Flag. Went "over the top" with 100 per cent.

Fifth or Victory Loan, \$13,000.

A number of rallies were held during the drives, at which time prominent speakers addressed the men. During the Fourth Liberty Loan, five wounded soldiers were present from Colonia Hospital, which so inspired the audience that \$42,000 was subscribed for the Loan, while a special collection was taken for one

of the five wounded men, an Italian, with one leg gone. Quite a sum was raised for him, while the other four received approximately \$10 apiece, from the men, besides cigars and cigarettes.

Watson-Stillman Company was also foremost in all of the separate drives of the different organizations, especially in the United War Work Campaign, when each man gave from 10 cents to \$1 per week out of his earnings.

They also gave to the local Red Cross in Roselle 1 cent per day from each man, for a year. This donation amounted to about \$10 and \$12 per week and was purely voluntary.

Fourteen men from the company were with the colors, either at the home camps or abroad. They could have been exempted, as they were greatly needed by the company, but they all wanted to fight for their country.

One of them, however, had the privilege of participating in actual warfare. This man was John Thomas Deter, of 241 Third Avenue, West, Roselle, N. J. He fought at the Château Thierry, Verdun and St. Mihiel battles, and was severely wounded. Upon his return to this country he spent several months at Base Hospital No. 3, Colonia, New Jersey. His first appearance at the factory, as told by Superintendent J. F. Lary, was a most impressive one. As he came in on crutches, the men were spell-bound, and absolute silence reigned for a few minutes. Then suddenly they broke loose, and gave him a wonderful ovation.

When word reached the factory in November of 1918 that the Armistice had been signed, the men went wild, and the factory had to be shut down, whereupon they formed in line and marched to Elizabeth, beating upon anything they could find with which to make a noise.

Now, in peace times, the talk is all of what has been and the reconstruction period.

MEHL MACHINE TOOL AND DIE COMPANY

This modern shop was built in Roselle by Walter B. Mehl, early in 1917, and equipped with the most up-to-date machinery for the production of tools with which to make rifles, pistols, machine guns, artillery, airplane motors and other war equipment. Mr. Mehl was a firm believer in preparedness, with the conviction that in order to maintain justice and fair dealing among nations we should be ready and willing to fight for their maintenance. Hence he secured a corps of the best mechanics in the field. His own experience along mechanical lines proved valuable in organiz-

ing a force of men competent to execute the most exacting and important work of this class.

That he was successful in his ambition to crush the Hun's military machine is shown by many evidences, chief among which are letters received from firms, complimenting the Mehl Company on the highly efficient service rendered in the production of tools for the Liberty Motor and for naval guns, etc. The Detroit Lubricator Company, manufacturers of the Zenith Carburetor, stated that the Mehl Company, through their prompt supply of tools, had enabled the Detroit Company to finish five hundred (500) Liberty Motors on time.

Mr. Mehl's policy of close contact with his workmen served to cement a spirit of faithfulness which was exemplified in the fact that during the war period, when strikes and labor troubles were rampant, the Mehl Company did not lose a single day in its production of tools for war purposes.

The Mehl Machine and Die Company and its employees were very loyal in all war activities. On the occasion of each Liberty Loan, Red Cross, and Thrift Stamp Campaign, Mr. Mehl assembled his men and addressed them on the subject at hand. When the United War Work Campaign was launched, he went to Colonia Hospital and returned with his car filled with wounded soldiers, and gave his employees a talk which resulted in their liberal support of that charity.

Total of sums subscribed is as follows:

Liberty Bonds.....	\$30,050.00
Red Cross.....	301.38
War Work Campaign.....	1,705.75
Thrift Stamps.....	3,357.75
<hr/>	
	\$35,414.88

Average subscription (100 employees)..... \$354.14 per person

The CLIO CLUB (literary) gave the following amounts to specified war activities:

Liberty Bonds.....	\$3,000.00
Victory Bonds.....	500.00
War Savings Stamps.....	100.00
Haversack (Camp Dix).....	185.00
Children's War Relief Fund.....	57.23
600 records (Victrola) and money.....	19.00
<hr/>	
Total.....	\$3,861.23

The THALIA CLUB (social) relinquished their entertainment for 1918 and gave the money, amounting to \$50, to the local Red Cross.

The HARVARD CLUB. On the 22d of September, 1917, the Harvard Club presented \$70 to the local Red Cross. In peace times this money would have defrayed the expenses of the yearly reception.

THE WOMEN'S POLITICAL UNION gave the following war gifts:

Red Cross, Roselle-Park	\$25.00
Red Cross, Roselle	25.00
Soldiers' Club House (Camp Dix)	275.34
Woman's Overseas Hospital Unit (Ambulance Work)	15.00
War Savings Stamps	668.00
Children	30.00
Materials for Red Cross Work	28.27
Soldiers' Furlough Fund	25.00
<hr/>	
Total	\$1,091.61

PARENT TEACHER ASSOCIATION. During the administrations of Mrs. B. Carter Millikin and Mrs. H. Morton Pierson, the Parent Teacher Association was enabled to coöperate in various war activities, besides presenting money gifts. At the suggestion of Mrs. W. R. Hill, a former president, essays were written by the High School pupils, upon the subject, "How We Got Our Flag." Prizes of American silk flags were awarded to Rose Eig and Burton Bloss.

War gardens were encouraged by the Association, and a five-dollar gold piece was presented by them to Emil Schuman, for producing the best war garden in Roselle for 1917.

Awards of five dollars each were also given to Mrs. H. C. Kimball and Miss Daisy Weems, for putting up the largest quantity of vegetables, fruit and jelly in the Parent Teacher Association for 1917. Mrs. Kimball canned 683 jars of fruit and vegetables from her own garden, while Miss Weems filled 75 glasses of jelly and 149 cans of fruit and vegetables. It is an interesting fact that Miss Weems was a high school pupil of seventeen.

The listed money gifts of the Association is as follows:

American Library Association	\$5.00
War Council Work for Y. M. C. A.	100.00
Share in Ambulance given by Congress of Mothers	50.00

Share in furnishing Hostess House, Washington, D. C., under auspices of Congress of Mothers.....	13.20
Armenian-Syrian Relief Fund.....	108.00
Local Red Cross.....	7.50
 Total.....	 \$283.70

Two illustrated lectures were given. One in the interest of the Junior Red Cross, in which pictures were shown representing various achievements made by this young organization throughout the country, with a view to stimulating local interest to the extent of raising the membership to one hundred per cent. This was readily accomplished.

The second lecture was held in the interest of the Armenian-Syrian Relief Fund, and was given by Mr. B. Carter Millikin, who had but recently returned from Palestine, under the American Red Cross commission, sent out to bring relief and also to assist in reconstruction work in that devastated land.

It is worthy of note that Hoover refreshments were served during the war, and the amount saved was presented to the local Red Cross.

The Association also coöperated in the Liberty Loans, War Savings Stamp Campaign and in Child Welfare Work.

THE NEEDLEWORK GUILD OF AMERICA

In February of 1919 this organization was called upon for money, to purchase sewing machines, to aid in reconstruction work around St. Quentin, France. The sum of \$75 was subscribed to this worthy object.

MISCELLANEOUS WAR ACTIVITIES

BAN ON GERMAN PAPERS

A worthy patriotic spirit was shown in the Borough among the newsdealers, when a ban was placed on German newspapers by Mayor Charles W. MacQuoid, on May 17, 1918.

The two Borough newsdealers readily acquiesced in the plan.

HOSTESS AT THE HAVERSACK

Miss Elizabeth D. Parmly, of 139 Fourth Avenue, West, was one of the hostesses at "The Haversack," Wrightstown, New Jersey, for nearly a year, entering upon her duties on July 3, 1918.

MOTOR CORPS OF AMERICA

The Motor Corps of America, a volunteer organization, under the supervision of Colonel Helen Russell Bastedo, of New York, carried out a splendid program of helpfulness during the war. The work of this organization extended into the suburban districts, with headquarters in nearby cities.

Roselle was represented by Mrs. Russell Hager and Mrs. Harrison W. Gardiner. The latter, however, soon directed her efforts to work in the National League for Woman's Service.

Mrs. Hager's service in the Motor Corps extended from July 1918 to October 1919, with headquarters at Rahway.

Her work included assistance during the Morgan disaster and influenza epidemic, also recreational driving for patients at Colonia Hospital.

WRIST WATCHES

When the young men of the Borough were being called to the colors and many others were enlisting in Government service, a patriotic citizen of the Borough, Mr. F. W. Veghte, suggested to the late Mayor Charles W. Low that an appropriate little souvenir be presented to these young men by the citizens of their home town, as a constant reminder that they were not forgotten by the home folks.

Mayor Low appointed a committee for this purpose, consisting of Ferdinand W. Veghte and Councilmen Harry W. Slauson and John L. Warner. The latter was appointed Treasurer.

Wrist watches were selected by the committee as a useful and necessary part of a soldier's equipment.

Over six hundred dollars was collected by the committee direct and also through the Home Guard. It was the plan of the committee that each local boy should receive a watch and as far as possible this was carried out.

CHILD WELFARE

In April of 1918 the Children's Bureau of the Government requested a weighing and measuring test of the children throughout the country, from six years old and under.

The work in Roselle was undertaken by the Charity Organization Society, at the suggestion of Mrs. John L. Warner, Roselle Chairman of the Woman's Council of National Defense.

The test was held from the 6th to the 20th of May, and was conducted after school hours, at the High School, the schools of

Lorraine and Aldene, and School No. 4. Miss Bessie Boogush, School Nurse, volunteered her services for the work, which were gratefully accepted. Dr. H. Morton Pierson was present one afternoon a week, to start the project. He and Miss Boogush strengthened the work by giving talks to the mothers on health, feeding of the baby, etc.

For a week previous a house to house canvass had been made, by active and associate members of the Society, for the purpose of advertising the Weighing and Measuring Test, and to leave the Government Record Cards with mothers who had consented to weigh their children at home.

Publicity was given to the undertaking through posters and notices displayed in the schools, local papers and churches.

At the close of the Test, about three hundred filled-in record cards were sent to the Children's Bureau at Washington.

The Committee for this work included:

Mrs. F. W. Trewin, <i>Chairman</i>	Miss M. P. Stevenson
Mrs. C. W. Low	Mrs. E. E. Stanion

THE UNITED WAR WORK CAMPAIGN

In November of 1918 the United War Work Campaign was launched in the Borough.

The object was to secure funds throughout the country for the furthering of the following organizations:

- National War Work Council of the Y. M. C. A.
- War Work Council of the National Board of Y. W. C. A.
- War Camp Community Service
- American Library Association
- National Catholic War Council (K. of C.)
- Jewish Welfare Board
- Salvation Army

William R. Hill was appointed Chairman, and was assisted by the following committees:

To arouse interest in the campaign, a Mass Meeting was held at St. Joseph's Hall, November 19, 1918, at which time prominent men delivered addresses on the issue at hand.

At the end of the campaign Roselle had doubled its quota, going "over the top" one hundred per cent.

The amount required was \$7000; the amount subscribed was \$14,000.64.

Great credit is due the Watson-Stillman Company through their superintendent, J. F. Lary, and the Mehl Machine Tool and Die Company, W. B. Mehl, President, for their generous assistance in the campaign.

Watson-Stillman Company contributed a total of \$3300, of which \$2300 was subscribed by the men and \$1000 by the Company.

The total subscriptions from the Mehl Machine Tool and Die Company and men aggregated \$2055.

At a meeting held in the southeastern section of the Borough, in the interest of this important movement, Rabbi Price of the Jewish Synagogue addressed the gathering, following up his remarks by a gift of \$25 from the synagogue and \$5 from the Jewish fraternal organization.

Sixty-seven dollars was also received at the Victory Service, held in the High School in recognition of peace.

At the close of the campaign letters of appreciation were sent by the Committee, through the local chairman, W. R. Hill, to the organizations which had given such a loyal response to the undertaking and also to the citizens, through the local press.

WAR SERVICE RECORD

Roselle has a distinguished Service Record of two hundred and twenty-one (221) men and women who responded to the call of their country.

Of these, John Thomas Deter was the first soldier to be wounded in overseas action, while Albert L. Wenz was the first to give his life for his country through actual combat. One other soldier passed away at an earlier date in this country, Walter Franklin Cox, from the effects of pleuro-pneumonia, which he contracted during training.

Following is the Record of the Roselle men and women who served the United States Government in the late war:

DISTINGUISHED SERVICE MEN

Three of the Service men received distinguished honor medals, Roy Kendall Patterson, Allerton Read and John Wasilik, Jr.

These men refuted the idea that they had done more than their duty. Thus it was with the utmost reluctance that they were prevailed upon to give the following brief account of their experiences.

ROY KENDALL PATTERSON

Patterson's experience reads as follows:

"July 15, 1918, was the beginning of the great German offensive. The 26th Division held the apex of the sector, between Rheims and Soissons, at the point just west of Chateau Thierry. The points upon which we were adjusting fire were the patches of woods just north of Boursches, which were filled with machine gun nests. The village above which we were located was Villers-sur-Marne.

"At eleven o'clock, the morning of the 15th, my companion and I ascended, to adjust artillery, for a battery of the 103d Field Artillery, 26th Division. We worked until one o'clock against machine gun nests and trenches. At about that time we were attacked by two German planes and driven down to a height of 300 metres. As we were not in our normal position, our anti-aircraft barrage was adjusted too close to the balloon, which made it impossible for us to hear distinctly over the telephone. However, we heard the machine gun of one of the planes, although we could not see it, and consequently decided to jump. We landed safely and fortunately our balloon was not burned..

"We returned to quarters for lunch, while parachutes were being repacked and balloon made ready for another ascension. We ascended at two o'clock and continued our work, making four more adjustments of artillery.

"At seven o'clock, five planes came out of the sun, to the south. We were at a height of 900 meters, but did not haul down, as they appeared to be French planes. The planes opened fire almost instantly. We jumped and landed safely for the second time that day."

Patterson's citation was recommended by the Aeronautique of the 6th French Army and signed by General Petain.

FREDERICK ALLERTON READ, JR.

Lieutenant, junior grade, Frederick Allerton Read, Jr. was awarded the Naval Cross, but information has not reached him (January, 1920) regarding the service for which he was decorated, whether for an encounter with a submarine, or for his record as a naval officer.

JOHN WASILIK, JR.

Wasilik was attached to the Yale Ambulance Unit, which consisted of thirty-six men.

At Villers-Cotterets, in June of 1918, during severe fighting, Wasilik volunteered to go out with his ambulance under shell fire and bring in two wounded Frenchmen.

For this service he was decorated at Boursonne. On November 4, 1918, at Belgium-Audenarde, forty or fifty kilometers from Brussels, while the 27th and 91st Regiments were assisting the French to protect the town, Wasilik had the honor of conducting a French Colonel and his Lieutenant up to headquarters, under heavy shell fire. They reached their destination in safety. Tire trouble, however, necessitated Wasilik's remaining in the open, that the return trip might be made at once. With the ground being plowed up around him, amid a shower of bullets, he worked on, and had the satisfaction of being in readiness when the officers appeared.

For this act of bravery, he received his Second Citation.

THE ROLL OF HONOR

The blue stars upon our Service Flag have been accounted for, but during the two years of America's conflict, thirteen of them turned to gold.

Our boys "counted not their lives dear unto themselves," but gave willingly, not only for the protection of their country, but also for those ideals so dear to the heart of every loyal American.

Our hearts thrill at thought of them! We glory in their deeds, and shall ever cherish them in loving memory!

*"These said Good-by;
And harkening to Duty's clarion call,
Upon fair Freedom's altar laid their all.
They are not dead!
Nay, troops of Time's proud heroes flaunt each name
Of that young, shining company who came
To keep alive fair Freedom's sacred flame;
Comrades in Paradise!"*

Following is the list:

1st Class Private HERBERT NELSON BARTLETT

311th Infantry, Company A, 78th Division

Private Bartlett was born in Elizabeth, New Jersey, August 10, 1891. Ten years later the family removed to Roselle, where Bartlett attended the Grammar School. After completing the grade work, he remained two years in High School. He then entered the firm of H. A. Johnson, Confectioners, State Street, Boston, Massachusetts, where he remained until called to the colors.

While in Roselle, he was for some time Secretary of the American Junior Order of Mechanics, also Librarian of the First Methodist Episcopal Sunday School and a communicant member of the church.

On February 26, 1918, he enlisted at Elizabeth, New Jersey, and was assigned to Camp Dix, where he became a member of the 311th Infantry, Company A, 78th Division, under Colonel N. B. Stokes. He sailed for France the middle of May, where he took

part in several important engagements, including San Mihiel and Argonne. On October 16, 1918, he was gassed and sent to Base Hospital No. 49, where he remained until December 16, when he returned to his company. Within two months he was again

removed to a hospital at Beaune, this time suffering from mastoiditis. Later, he was transferred to Camp Hospital No. 107, where he passed away on March 22, 1919.

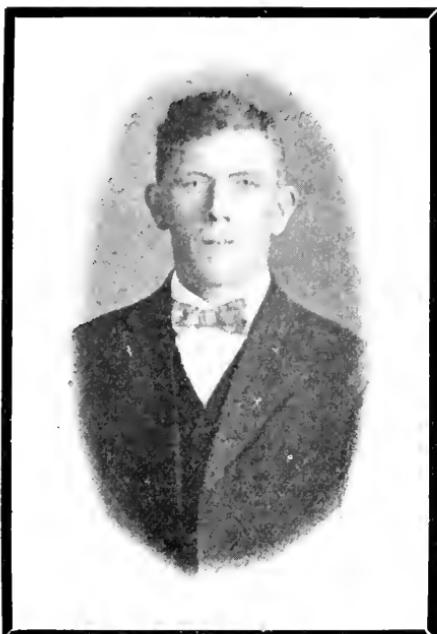

A few words received by his mother from his chaplain give a fitting testimony to the character of Bartlett. He wrote: "He was a wonderful soldier, a wonderful patient. Every one who came to know him here loved him. I loved him like my own brother. We had many heart to heart talks. The last thing he said that we could understand was, 'You sit down on the chair beside my bed and I will close my eyes and you talk to me, as you so often have, about the love of God.' In this way, just sleeping, he went out."

He was laid to rest with full military honors, in the American cemetery at Beaune, France.

Private JAMES CONNELLEY

101st Infantry, Company K, 26th Division

Private Connelley was born in the town of Rossaveel, County Galway, Ireland, in the year 1895. He received his education in his home town, where he resided until 1916, when he came to

America. He made his home in this country, with his sister, Mrs. William F. Currie of Third Avenue East, Roselle.

In May of 1917 he enlisted at Boston and was assigned to the 311th Infantry, Company K, 26th Division. After several months' training at Camp Devens, Massachusetts, he went overseas, where he saw much active fighting at Chateau Thierry, Argonne, and Verdun. He was killed by shellfire, north of Verdun, October 23, 1918.

In a letter received by his sister from Connelley's chaplain were these remarks: "He was in some terrible battles at Verdun, but showed exceptional bravery. He was buried at Bois du Hoppes, but I expect by this time his body has been removed to the American cemetery at Verdun, a beautiful spot where all our boys will rest side by side."

1st Class Private **WALTER FRANKLIN COX***Signal Enlisted Service Corps*

Private Cox was born in Elizabeth, New Jersey, April 19, 1894. When a boy his family removed to Rahway, New Jersey, where Cox attended the Franklin Public School. He completed the Grammar Grade, but owing to ill health was obliged to discontinue school activities. However, later, he completed a business course in Elizabeth.

He was employed in one of the offices of the Central Railroad of New Jersey for some time, which position he left to enter the Elizabethport Banking Company. He finally became travelling salesman for his father, whose business was automobile supplies.

On December 22, 1917, he enlisted in the Signal Enlisted Service Corps, at Boston, Massachusetts, and on March 16, 1918, was sent to the Military Aeronautics School, at Cornell University, Ithaca, New York. Here he remained for six weeks. During training he contracted pleuro-pneumonia and was honorably discharged from the service April 17, 1918. He passed away at his home in Elizabeth, New Jersey, December 9, 1918.

Lieutenant FRANCIS RICARDO CRISTIANI

Lieutenant Cristiani was born in Brooklyn, New York, November 7, 1893. He attended the Livingston School in Roselle Park from 1899 to 1905. A year later he entered the Red Bank High

School and remained until 1909. In 1910 he entered Coleman's Business College.

His business career started in Elizabeth, New Jersey, where he was employed by the Public Service Electric Company. Later, he went with the Du Pont Chemical Company, remaining with them until 1917.

During the summer of 1916 he attended the Plattsburgh Military Officers' Training Camp and in July, 1917, enlisted in the Royal Flying Corps of Canada. In December, 1917, he was appointed Second Lieutenant, at Toronto, Canada. About a year later, January, 1918, he sailed for overseas and was appointed First Lieutenant in May of that year. During the summer of 1918 he

was with the Central Flying School, Royal Air Force, Upavon Wilts, near London, England.

In August of the same year he left England for France. On September 29 he participated, with distinction, in a great and critical attack, which shattered the enemy's resistance on the Hindenburg line and opened the road to final victory. During the attack Cristiani was over the line at a low height, shooting up the retreating Germans with his machine guns, when he was hit by a stray bullet and killed, September 29, 1918. His machine crashed into No Man's Land, just inside of the American line, and he was picked up dead. Although he had been out only a few times he had shot down several German aeroplanes and balloons.

Lieutenant PHILIP DIETZ

Member of the Royal Air Force

Lieutenant Dietz was born in New York City, February 22, 1891. On December 27, 1893, soon after his mother's death, he was committed to the Willow Crest Home for the Friendless, in New York City. In March of 1898, he came to Roselle to live with the family of the late Rev. I. H. Northrup and on February 20, 1903, was legally adopted by Miss Flora L. Northrup.

He first attended the school of Miss Janes and later that of Miss Edna Mulford. From the latter he entered the Roselle Public School. He was graduated from the High School in June, 1909, and in the following September entered the Sheffield Scientific School at Yale, then known as the Forestry School. He graduated from this institution in 1915. The following year he taught in the boys' academy at Peekskill, New York, and in the summer of 1916 took a course in Y. M. C. A. work at Silver Bay, Lake George. In the autumn of 1916 he was appointed assistant physical director of the Naval Branch of the Y. M. C. A. at the Brooklyn Navy Yard.

In June of 1917 he enlisted in the aviation service of the army and was sent to the Ohio State University for three months' training. In September of that year he was sent to England, where he trained in the aviation camps of the Royal Flying Corps at Oxford, Andover, Stamford and Salisbury. In June of 1918 he left for France, as a member of the Royal Air Force, having previously received his commission as First Lieutenant.

Lieutenant Dietz was killed on July 30, 1918, by German scouts while on a bombing expedition over the lines. He is buried, according to the Red Cross reports, in Deutsche Bombach, Germany. He was a member of the First Presbyterian Church, Roselle, with which he united when he was about fourteen years of age.

Private EDWARD FRANCIS DERMODY*311th Infantry, Company A, 78th Division*

Private Dermody was born in Roselle Park, February 20, 1894. The family later removed to Roselle, where Dermody resided for twenty-two years. He was graduated from the eighth grade of the Roselle School.

On February 20, 1918, he entered the United States Service and was sent to Camp Dix. On, or about, May 19, 1918, he sailed for France, arriving about May 31. He was killed in action November 1, 1918.

Private Dermody was a communicant member of St. Joseph's Church, Roselle, New Jersey. At the time of his death he was twenty-four years and eight months old.

Private EDMUND L. HORY

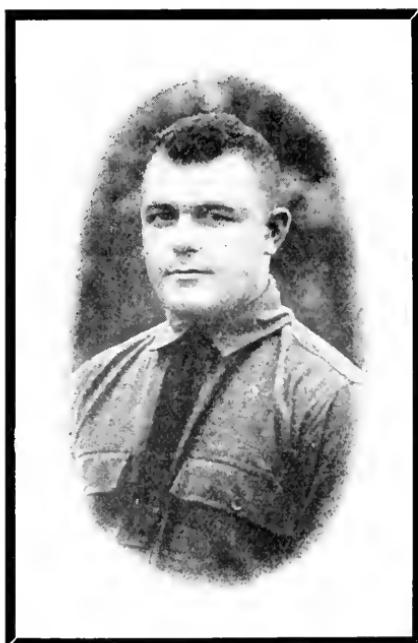

Company D, 31st Brigade of Infantry

Private Hory was born in the city of Elizabeth, November 19, 1893, and was twenty-five years of age at the time of his death. As a young boy, he attended St. Joseph's Academy at Elizabeth and also St. Patrick's School. He was a resident of Roselle for four years.

He was drafted from Roselle and assigned to duty at Camp Dix, where he was soon transferred to Fort Ethan Allen, Vermont. Here he became a member of Company D, 31st Brigade of Infantry. He entered the Service in June, 1918, and died at Camp Fort Ethan Allen, October 10, 1918.

Private OSCAR KAPLAN

Private Kaplan was born in the town of Balbrisk, Russia, August, 1895. He came to America with his parents in February of 1911. He was well known in Roselle, having acted in the capacity of chauffeur before his induction into the Service. At one time he was a member of the Roselle Fire Department.

When the war broke out Kaplan attempted to enlist, but was rejected on physical grounds. His patriotism was such, however, that he underwent an operation and was then accepted by the Local Board for service. He was located at Camp Merritt, Tenafly, at the time of his death, which occurred December 26, 1918.

Private THEODORE ROOSEVELT MINOR

369th Infantry, Company D, Rainbow Division

Private Minor was born in Jersey City, New Jersey, January 31, 1901. He attended the public school in that city and also in Brooklyn, New York. While living in Brooklyn he became a member of the Boys' Brigade, thus showing his early patriotism. In 1916 he came to Roselle and was employed at Van Court Inn.

Minor had the honor of being the first colored man to enlist from the Borough. He volunteered from New York and was sent to Camp Whitman, New York. Here he became a member of the 15th Infantry, Company A, the Rainbow Division, which was afterward changed to the 369th. This regiment was under command of Colonel Heywood. He took part in several important engagements, namely: Argonne, May 30, 1918; Champagne Defence, July 15, 1918; Champagne Offensive, September 26, 1918. It was during the Champagne Offensive that he met his death, on September 26, 1918.

Private THOMAS O'NEILL

Private O'Neill was born at Newark, New Jersey, February 23, 1897. He was educated at the 13th Avenue Public School of that city.

As both parents are dead, it was difficult to secure a complete account of his life. It is, however, known that he was last employed by D. Almond, Machinist, Newark, New Jersey.

He became a member of the 1st Regiment N. G. N. J. and was sent to the Mexican Border. He returned and went to Anniston, Alabama, with the 1st Regiment N. G. N. J., when the troops were mobilized. Later, he was sent overseas and transferred to the 26th Division, 20th Salvage Department, Quartermaster's Department. He was engaged in the battles of Verdun and St. Mihiel, and was gassed, from which he never fully recovered. He was stricken with pneumonia and passed away, March 11, 1919, at the age of twenty-three.

Lieutenant HARVEY CLIFFORD ROBINS

Lieutenant Robins was born in Newark, New Jersey, December 6, 1886. He attended the Roselle High School, from which he was graduated in 1903, and in the fall of the same year entered Rutgers College. While in college he took special interest in the Student Battalion and was commanding officer of the unit at the time of his graduation. He was graduated in 1907.

Much of his early military training was received in the Second New Jersey National Guard Regiment. On the 14th of February, 1914, he was promoted to the rank of First Lieutenant.

Up to the time that war was declared he was employed by the New York Telephone Company, in Newark.

In March, 1917, he was called out with the Second Regiment New Jersey National Guard. After spending the summer months in various camps in New Jersey, he was sent in September, to Camp McClellan, Anniston, Alabama. Shortly after his arrival at camp he was transferred to the Engineers, but later, at his request, he was returned to the Infantry, and during the reorganization of the New Jersey guardsmen was assigned to Company G of the 113th Infantry. He, with a number of other officers, sailed on May 26, 1918, from Newport News for France. Upon his arrival there he made all arrangements for the billeting of his regiment.

After a short period of training abroad, he was put into the front line trenches, but later was sent, for one month, to the highest army training school in France. He was again placed in the

trenches, upon leaving the school, and according to Government report, died October 17, of wounds received in the battle of the Meuse, after six months of active service.

Officers associated with Robins during the closing chapter of his life, illumine the pages with the remark, "He gave his life for his men."

Sergeant MORTON HARRISON STILES

311th Infantry, Company A, 78th Division

Sergeant Stiles was born at Morrisville, Vermont, and educated at Plattsburg, New York. He came to Roselle in 1912 and entered the employ of Robert J. Wilson, with whom he made his home until shortly before called by the draft of September 21, 1917. Before going to camp, he worked for a few months at the Standard Oil Company.

At Camp Dix, Stiles was assigned to Company A, 311th In-

fantry, in which unit he was soon promoted to the rank of Sergeant.

In France, as a member of the famous 311th, he fought in many battles. He wrote, under date of October 15, 1918, that he was about to be discharged from a hospital, where he had been recover-

ing from a gas attack, and that he expected to be back in the trenches within a few days. As near as can be determined, Sergeant Stiles met his death on October 18, as the result of flying shrapnel.

Stiles attended the First Methodist Church while in Roselle and was a member of the Sunday School. He was a very popular young man in business and social circles because of his genial disposition. At the time of his death he was twenty-seven years old.

Private ALBERT L. WENZ

Private Wenz was born in the city of Elizabeth, New Jersey, on February 28, 1888. He came to Roselle with his parents when a boy of six years of age and has resided here ever since. He was graduated from the Roselle Public School and also from the commercial department of the Union Business College of Elizabeth.

At the time of our trouble with Mexico, a few years ago, he enlisted in the navy on February 20, 1913, and served on the battleship *Minnesota*. During this period he was stationed in the Gulf of Mexico, opposite Tampico. He was released from the navy on August 23, 1914.

Private Wenz enlisted in Newark, New Jersey, May 20, 1917,

in the Field Artillery branch of the Service. He was sent to Fort Myer, Virginia, and assigned to Battery C, Twelfth Field Artillery. In the latter part of December, 1917, he was transferred to Camp Merritt and sailed for France in the early part of January, 1918. On July 21, at the battle of Soissons, he was wounded in the left shoulder, by a shell which burst within a few feet of him. He was removed to a hospital, where he died from wounds on July 28, 1918.

The war is over and the ships have brought most of our boys home again. Only those who are with the Army of Occupation in Germany will remain. Reconstruction days have come, when we pick up the tangled threads and smooth them out again.

God grant, that out of the struggle and sacrifice, we, as a community, may become purer, more loyal and devoted citizens, ever reaching out toward the good of all mankind.

APPENDIX

For the honor of the men of the Borough who fought so gloriously for their country and for those others who made the supreme sacrifice, it seemed fitting that a suitable memorial should be erected to them.

With this lofty ambition in mind, Mayor C. W. MacQuoid appointed a committee of representative men and women to consider plans toward the furthering of this project.

On June 5, 1919, the initial meeting of this committee was held at Borough Hall.

Tentative plans for the consideration of a library building were at that time placed before the meeting, by W. G. Lawrence, at the request of Mayor MacQuoid, and the subject was placed under discussion. Later, however, two other plans were presented to the committee, namely, a Community House and a Memorial Recreation Field.

That the matter might be brought before the citizens of the Borough, the Mayor called a public meeting on November 11, 1919, at Borough Hall. At this meeting the concensus of opinion seemed to be strongly in favor of a Community House, with accommodations for a Library.

Here the matter rests at present writing, November 12, 1919.
